Chaparral has been building quality family boats since 1965. Founded in Fort Lauderdale, Florida - Chaparral has called Nashville, Georgia home since 1976. Encompassing over 1 million square feet of manufacturing facilities, we are one of the South Georgia's largest employers with a full time roster of over 800 employees. Building high quality boats is still a process completed by hand by skilled craftsmen. At Chaparral, many of our builders are second or third generation boat builders that take personal pride in every boat they build.
