Funded**

**Employment Training
Program**

CEC 
Canadian
Education Council
BRIGHTER TOMORROW STARTS TODAY

Background Information

- For the first time CEC is offering a full scholarship for a training program, for remote job positions in many companies.
- CEC partnered with top tier industry leaders providing training on the latest market trends that helps you work with brands selling on Amazon, ebay, Walmart, Bol, and other major marketplaces, as well as internships for the top students.
- Students have the option to apply to the employment agency of Canada through the Canadian Education Council.
- Program will start by March
- For more info on the CEC visit our website: <https://canadianeducationcouncil.org/>

CEC'S Mission

CEC is a non-profit organization that believes high quality courses should be available to everyone, this is the best way to create skilled workers, reduce unemployment and improve economy.

Work Online & Land Your Dream Client

- Build your business profile online to stand out from the crowd by using data analysis and marketing techniques to optimize your profile, submit proposals, and nail the interviews to land your dream client.

Available Positions

Online International Logistics & Supply Chain Manager

- The supply chain manager oversees the flow of goods through the supply chain.
- Learn how to work with factories, Amazon, and third-party service providers to forecast the stock, ship the goods through the most efficient means, reduce overstock solutions, understand customs, HS codes for the best tariff, and make sure the brand is always in stock.
- This is a strategic position, where you always need to improve efficiency.

Amazon Brand Account Manager

- The Amazon brand Manager is the 'front of house' that orchestrates the execution of the Amazon account to ensure growth and a great customer experience.
- Learn how to take data-led decisions and organize the work for the Amazon team across all the Amazon fields such as Listing Management, Customer Service, Product launch organization, Health Account, and much more.

Operation and Team Manager

- The operation manager ensures that everything runs smoothly and efficiently in a company.
- Learn how to maximize processes and procedures, and optimize workload targets to make sure that the team is working efficiently and in a healthy environment.
- Learn how to distribute the work, run the meeting, and keep track of the updates & KPIs to implement the changes that are needed while working with CEO and COO.

Amazon Strategic Graphic Designer

- The Amazon Graphic designer is a specialist who understands the Amazon marketplace technicality.
- Learn how to create images, videos, A+ content, and stores that target the customer's pain points and sweet dreams to convert on the platform, using data and competition analysis.
- This is complementary training for a trained global designer.

Amazon Advertising and PPC Specialist

- The Amazon advertising specialist is one of the most demanded jobs.
- Learn how to keep up with the ever-changing Amazon PPC environment by learning how to launch, scale and optimize products for profitability.
- PPC is one of the main pillars of Amazon, it's a central position that can lead to a long carrier.

How to Avail

Minimum Requirements

- Minimum age should be 18 years old
- Provide English DUOLINGO/IELTS examination
- If you don't have Duolingo or IELTS, you need to pass (75% or higher) an English placement test cost \$49 for the free course
- The course is 3-6 months depending on the course, which is taught online.
- No prior certification is required

“What If I Didn’t Pass the Placement Test?”

- If you did not get 75% or above on the English Placement Test:
- You will be required to do an ESL program with the CEC opportunity to avail 3-6 month course
- The Cost of this ESL course is \$50 per month only
