A Baptist Church Planting Ministry

AUGUST 2025

Evangelist Craig Bryan
Founder

"And the lord said unto the servant, Go out into the highways and hedges, and compel them to come in, that my house may be filled." Luke 14:23 What an honor it has been the last two weeks to be a servant of the Lord out in the highways and hedges, compelling the fine folks in Romney, West Virginia, and Poteau, Oklahoma, to come so the RMMO Tent Revival services would be filled. God truly blessed our efforts with great attendance each service and allowed us to have 40 come to accept Christ as their personal Savior the last two weeks.

While passing out free Bibles, we met a young lady and began a conversation with her. (Pictured below) She told the story of how, at the age of thirteen, she wanted to end her life. She chose to jump from an overpass bridge during heavy traffic, but by the grace of God, her life was spared. Though every bone was broken, she survived. Sadly, she did not get saved during that conversation, so we were not sure if she would ever have another opportunity. God had other plans for this young lady. She attended the service that night and walked the aisle to be saved. As a thirteen-year-old girl, she had no hope and wanted to end her life, but at the age of nineteen, she got a new life by being born again through the blood of Jesus!

I also had the honor of witnessing to a mother and daughter who were going through a trial in their life. (Pictured below) The husband had made the decision to leave them that very day. They were devastated and did not know how they were going to make it. The daughter was even contemplating suicide at this point. When they passed the "Free Bible" sign, the mother said, "That's our answer." They stopped, and I had the privilege of leading them to the Lord. He is always the answer!

Not only are we excited about how the Lord has worked during the Revivals, but we were thrilled to see the sign go up for The Jeremy House orphanage in the Congo. (Pictured below) The shipping container finally arrived, and progress is being made once again to complete the project. What a blessing to see this home being built for those children who desperately need it.

Not only are the previously mentioned pictures below, but I have also added many other pictures from the past two weeks. It has truly been a blessing. Please pray for us as we continue to spread the Gospel and plant churches all around the world. Without your continued support, we could not do what God has called us to do!

In Christ;

Bro. Craig Bryan
