A Baptist Church Planting Ministry

JANUARY 2025

"O taste and see that the LORD is good: blessed is the man that trusteth in him." Psalms 34:8

We begin the New Year as we have every year since the beginning of this ministry, fully trusting in the Lord to carry us through. We trust in His goodness and mercy. We also see evidence of it in the many blessings He has bestowed on the Outreach. We have so much to praise Him for and could never publish it all in just one letter. We do try our best each month to give you a glimpse into all He has done through your support, your prayers, and the hard work of all those doing as God has called them to do.

The New Year is always a time to reflect and regroup so that we are ready to keep moving forward as God would have us do. We are excited about starting even more churches in America and the world. This month we have hit the ground running by adding five more national pastors in the Philippines. What a blessing it will be to hear how their ministries grow. Two of the pastors there whom we have supported for a while, are doing Saturday children's classes. They provide a sweet treat of "linugaw" or a rice porridge of "arroz caldo" to encourage the children to come to hear and learn about the Lord. By bringing in the children they have an opportunity to also reach the parents. (pictures below) They have seen many saved and baptized with their program.

In addition to starting support to those in the Philippines, we have begun to support Bro. Biz Lieresse in the Dominican Republic. Bro. Biz has done a great work there and we are honored to support him. We have also taken on new ministries here in America. We have started support to Bro. Andrew Chafa who installs radio towers to allow the word of God to be spread over the airwaves for all to hear. The radio ministry is a great blessing. Bro. Uchechukwu let us know in his last report from Nigeria that after every broadcast he has people from all denominations call him to tell of their salvation and changed lives. We are so excited to have a small parting in providing a great tool for pastors to utilize.

We have also taken on Bro. Liam Skogen who is starting the First Baptist Church of St. James in Minnesota and we are supporting Bro. Joseph Grimaldi, who is the pastor of the Freedom Hill Baptist Church in Jonestown, Pennsylvania. Please pray for these men. Even though they are trusting in the Lord to grow their ministry and to see souls saved, they need us to call them out to the Lord.

Please be in prayer for the needs of all our pastors and their families, especially those with health needs. Bro. Kerby Campbell in Hutto Texas had open heart surgery before Thanksgiving. He is doing well, but would appreciate us lifting him up in prayer. The work God has called these men to do can be hard but they have gone out in faith in submission to His will for their lives. They cannot do it alone, that is for sure. They need our financial and spiritual support, but most of all they need God to continue to bless!

Also, pray for our orphanage in the Congo. We are still in the building process and waiting for the cargo container to be shipped to finish up. Work in other countries is not like here in America. There is a lot of hurry up and wait. We ask you also pray for the Mercy Mountain Academy for girls here in North Carolina. They would love to enlarge their facilities to house more young ladies in need. Construction in today's economy is very expensive. It is a large endeavor, but they trust the Lord will provide as he always does.

Once again THANK YOU for your prayers and support!

In Christ;

Bro. Craig Bryan
