Ron Middleton Missions Outreach

A BAPTIST CHURCH PLANTING MINISTRY

April 2024

Reaching Out To Fulfill The Great Commission

Pastor Billy Sechrist

***"Preach the word; be instant in season, out of season; reprove, rebuke, exhort with all longsuffering and doctrine."* -2 Timothy 4:2** We are so thankful for the men who have followed the calling of the Lord and are willing to go where God has laid on their heart to "Preach the Word". Without the sacrifice of the men and their families there would be no church planting here in America or around the world.

There are so many things going on at the Outreach. We have really enjoyed the reports of the new pastors we have taken on. Pastor Kerby Campbell of the Lone Star Baptist Church, in Hutto, TX, had 88 people for the very first Sunday with five of those accepting Jesus as their Savior! Pastor Joe McConkey, Harbor of Grace Baptist Church in Maryland, had 48 in attendance their first service on April 21st. They had one saved on a follow up visit and were excited to see him back again for the second Sunday. All of our men know becoming a Pastor is a tough job and they will definitely need "longsuffering" as they labor to build a work for God.

The work continues at "The Jeremy House" orphanage in the Congo. Once the materials were delivered the men quickly began to make the brick and build the wall for protection around the site. (pictured below) We are so excited to see how God is working in the Congo. From the orphanage to the new pastors we are supporting there, God is showing His goodness and mercy.

We were really excited to take on a new church in the Thailand area. We sent \$2000 to help with the new church building and cannot wait to hear the reports from the church. Pastor Robert Jones in South Africa requests our prayers for his visa situation. He and his wife are continually applying for temporary visas every three months. To obtain the temporary visas they must return to the US, reapply, get approved, and go back, only to repeat the process. They are hoping to get the situation resolved soon and start their church. Even with the inconvenience of the visa "runs" they had 50 souls saved this month! Bro. Jones put it this way, *"It is amazing that so many have made a profession of faith in Christ for salvation. To watch the Gospel take root in people's hearts and turn them toward the Savior never gets old."*

We ask you hold us in your prayers in the coming week. We will be holding a huge tent revival in the inner city of Dallas, Texas. Bro. Jeff Walters and his members have arranged for the tent to be set up in a gas station parking lot. The area is very dangerous. Pray for our safety and that we can reach as many people as possible for the Lord. We will be soulwinning and giving out Bibles each day, as well as preaching services each night.

We are so thankful for the prayers and support sent our way. Through the giving and the prayers we have grown so much since our beginning in 2020. God has done many miraculous works and has brought many hard working men and women to our team. I have been able to visit many of our church plants and am so thrilled to see what God is doing. Pray for me as I plan a trip to the Philippines in October.

Once again I can honestly say, God is so good!

In Christ;

Bro. Craig Bryan
