A BAPTIST CHURCH PLANTING MINISTRY

November 2023

*Reaching Out To Fulfill The Great Commission*

Pastor Billy Sechrist  
Sending Church Pastor

**"Neither is there salvation in any other:** for there is none other name under heaven given among men, whereby we must be saved." **Acts 4:12** There is no other name as sweet as the name of Jesus. What a wonderful honor to go out into the world and declare "Jesus Saves". We are so thankful for the opportunities the Lord has provided the Outreach throughout this year to spread the Gospel to this lost and dying world.

Thank you so much to all who prayed for our Tent Revival in San Antonio this month. (pictured below) What a miracle to see God move! It was a week of preaching, handing out Bibles (pictured below), and spreading the Gospel. God blessed our efforts and we were so honored to be a part of it. We had 50 saved during the Bible hand out alone. For the week there were 95 saved and 4 of those got baptized in a portable tank. (pictured below) We appreciate Pastor Manly Perry, of the Old Paths Baptist Church, having us come. It was a long journey out to Texas and we greatly appreciate the safety God provided myself, my wife, and the Brown Family

The Outreach has certainly been busy this month, as always. We have been honored to take on three new men in Nigeria and six new Pastors in Mexico. Bro. Stephen Simmons and his wife visited our sending church, West Park Baptist Church, in Rockwell, NC this past month. We are honored to take part in helping them start their ministry. We will also be taking on three more men next month. It is a busy time, but well worth it. We have now helped plant churches in 20 states and 22 countries.

We have gotten many reports from the ministries we support. Bro. Todd Painter, in Thailand, shared his excitement at teaching in a jungle area to a class of forty-eight. He was even more excited that fifteen of those came for the first time and got saved! The name of Jesus still carries power, we just need to share it. In Nigeria we have begun to support the "Special Soulwinning Team". These men go out six hours a week and spread the Gospel. They witness to those who are often overlooked, such as those outside of sketchy establishments and Muslims in the area. Last month they passed out hundred's of tracts and saw twenty-eight get saved. They are so thankful "for the sacrifice you've been making to see the lost saved" by supporting the Outreach.

Bro. Rick Martin, in the Philippines, sent testimonies for us to read this month. They were from several people who had accepted Jesus through hearing the Gospel on visitation. One young man was a criminal. He told of his family and friends who all hated him for the choices he had made in his life. He felt as though no one could love him. But, when the Gospel was shared with him he said, "At that moment I realized I am a sinner, but God is merciful." He knew God loved him and he could be different. He started attending church and little by little he is becoming a new man, "I thanked God that it is not too late for anybody to change one's life even if it happens slowly." Another young man who shared his story was an Atheist. When he and his friends heard the name of Jesus, their lives were changed. His response on being saved would help a lot of young men in church today, "We go to church not because of pretty girls, but to know more about God. Because we want to know the reason and purpose of our lives."

Jesus...there is just something about that name!

In Christ;

  
Bro. Craig Bryan
