"And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come." Matthew 24:14 It is more obvious every day that there should be an urgency to reach the world for Christ. The time is nigh to reach as many as possible before "the end shall come." I have to come to realize our time here is short and only what we have accomplished for the Lord will matter in eternity. I am so thankful for the Ron Middleton Missions Outreach and our strong desire to work together to reach the world with the Gospel.

The reports sent in from those we support each month never cease to amaze me. We are now over 7,000,000 souls saved! God is so good, and I cannot praise Him enough for all He has done. Last week I visited with Missionary Kevin Wynne in Mexico City. What a work he is doing there! My Pastor (pictured below with Bro. Wynne) and Bro. Jason Cline, the Spanish Pastor at our home church, traveled with me. We were honored to spend the week attending their Pastor's conference (pictured below). I was blessed to be able to preach and see many souls saved. We not only support Bro. Wynne, but also four of his sons and his daughter and her husband. What a blessing it must be for him to have his family serving the Lord along with him in his ministry!

We have been able to continue to help Missionary Mark Holmes in Nigeria on multiple fronts. In the picture below, you will see his new auditorium. What a blessing to have been able to send funds to help complete the building. We also help him with an orphanage and the City of Refuge camp, which houses those displaced and threatened because they have left the Muslim faith to become Christians. We support full-time soul winners and many pastors also. We recently took on four more men who are starting church plants in the region.

We were blessed this month to take on five more men in Southeast Asia. Missionary Todd Painter whom we support there in Thailand, is currently in the States attending the weddings of three daughters! Even though he is here, his heart is still with the members of his church. With the help of technology, he can still preach to them and see them each week. God always provides a way for those willing to serve Him.

Many times, we cannot mention the names of the Pastors we support. One of our top priorities is to keep all our men safe in the countries they serve. The freedoms we enjoy here in America are often taken for granted. We have men in many areas where spreading the Gospel could result in their imprisonment or death. We appreciate the trust the men working in such areas as Egypt and Iraq put in the Lord to protect them as they win souls and build churches.

I am often amazed at the joy of the men when they report souls being saved in their churches. From one soul to hundreds, it is still the same excitement at seeing someone come to know the Savior. Pastor Finjite in Nigeria celebrated the Heaven Baptist Church anniversary with activities and services. There were 68 saved and 4 baptized in two days!

The Lord has blessed this Outreach in so many ways. The support given and prayers sent are what keep us going and reaching more areas. Our goal is to plant a church in every state and every country possible.

Please continue to pray for us as we do our best to work until the Gospel of Christ is "preached in all the world for a witness unto all nations."

In Christ;

Bro. Craig Bryan
