"Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord." I Corinthians 15:58

We are so pleased to continue to receive updates from our Pastors about their labor for the Lord. Bro. Terry Boyd, in North Myrtle Beach, SC, is rejoicing he was able to move his church from his livingroom to a conference room at the Holiday Inn. The cost was a fraction of the asking price for the store fronts in his area. He continues to visit and spread the Gospel as he gets prepared for the grand opening! Bro. Stephen Dice, in Illinois, is very encouraged by the growth of his Sunday School attendance; "It is encouraging to see faithful people who are eager to learn more about God and His Word". Please pray with him the mid-week service will see an increase as well. There are so many exciting things going on in our American church plants. We are still working on finding buildings and pastors. Please pray the Lord will continue to use us, not only in the 20 American church plants we support, but in building and growing more across America and the world.

We also receive many reports from our overseas Pastors. Bro. Holmes sent an update regarding the City of Refuge Ministry in Nigeria. Those who escape their villages because they have become Christians are offered a safe place to live and learn about the Lord without fear of death or retribution. Most are of the Fulani people. These people are the hardest to reach. They are adamantly against the Gospel. But praise the Lord, He can work in the hardest of hearts. On a four day missions trip to a Fulani village, 77 came to know Christ, 1 young man joined the Bible College with another 2 young men and a young lady planning to come join soon. Pray for these people and their village. They have no access to medical care, education or clean water. We also ask you pray for Bro. Bhim Gumire, going to Nepal and Bro. Daniel Gonzalez, going to El Salvador. Both men are still in the states gathering support and hope to be where God has called them as soon as possible. What an amazing journey these men are on to spread the Gospel to see souls saved. From the four new church plants in Nigeria to our new plants in Mexico and the countries in between, we support men who are dedicating their lives and labor to the Lord.

We were also blessed to receive word from the Baptist Heritage Children's Home. Despite security concerns, robbery, and kidnappings nearby, they are all safe and doing well. We were pleased to hear two of the young girls, Bright & Happiness, were nominated to participate on their school career team. Both were commended by the school on their excellent performance. The orphanage was also inspected recently also by a group of Social Welfare officers. We praise the Lord their report was good and they will continue to provide a home for those children in need. God is using this orphanage to change the lives of the children who live there. The labor of Pastor and Mrs. Thompsons is definitely not in vain! Please keep them all in your prayers.

Once again, we thank you for your continued support!

In Christ;

Bro. Craig Bryan
