**“And we know that all things work together for good to them that love God, to them who are the called according to his purpose.” -Romans 8:28** What a great verse for the Outreach this month. Some crazy things happened during our Tent Revival in the Dallas/Fort Worth inner city this month. God does work His good for those who are called to His purpose. We were reminded of that during the week in Texas, for sure.

Our trip began with the truck we use to pull the tent trailer, breaking down. Thankfully, Bro. Brown made it to an exit just off the interstate. God used a Pastor in the area to help get Johnathan to Enterprise and rent a truck. One of our men at home found a wrecker service to pick up the first truck and the trip to Texas continued as planned. Once there, the tent was set up at a local convenience store where the owner was kind enough to allow us to hold the meeting.

All was well until a tornado showed up! Thankfully the service had ended and we were at our hotel. As we huddled together in the hotel stairwell, the tent was flattened by the tornado. (Pictured) We praise the Lord the damage was minimal and after a one day delay, due to more storms, we put the tent back up (Pictured) and continued the meeting.

The tornado was not the only storm brewing around us. During the preaching the sounds of gunfire were very unsettling to say the least. The devil fought hard, but as the verse says, “we know all things work together for good to them that love God”. God protected, provided, and showed up in a mighty way! We had 134 come forward for salvation and 22 were baptized (Pictured). All I can say is, God is good all the time, all the time God is good! We appreciate all the work put in by Bro. Jeff Walters and the church there. What a blessing!

We are so honored to work with so many Pastors in America and around the world. We have begun support of Pastor Augustine Okoye of the Awka Independent Baptist Church in Nigeria. (Pictured below) Pastor Okoye grew up in a Catholic Church family and did not hear the Gospel until he was older. He visited a church with a friend and heard the way to Heaven was not through baptism as an infant, but through the blood of “Christ alone”. After graduation from Bible College he became burdened for those who have been deceived by the Catholic Church. His church is now planted firmly in a state dominated with Catholic Churches!

There are many prayer requests sent to us each month. Please pray for the Wang Pong village in Thailand as Bro. Painter and his family work diligently to spread the Gospel to them. Pray for Bro. Rob Jones, in South Africa, as they travel to New York to obtain long term Visas. Pray for them to have safe travels and the Visas to be accepted. They are doing a wonderful work in their field. Last month they had 172 saved on visitation alone. Bro. Luke Deschamp, in Arizona, asks we pray for them as they are in need of a van for church and personal use. He was excited to report the church had their first service this month with 18 in attendance, 3 saved, and 2 baptized. I am looking forward to being with him at the end of this month. All of the church plants would appreciate the prayers for their needs to be met as they work according to God's purpose for their lives.

We ask also for you to continue the prayers for the Outreach as we continue to work for the Lord. We are holding another Tent Revival this week (June 17th-21st) in Beach Park, IL at Biblical Baptist Church and another next month (July 17th-21st-same dates but different month) in Louisville, KY with Pastor Dan Botrell who is one of our supported church plants.

In Christ;

Bro. Craig Bryan
