REACHING OUT TO FULFILL THE GREAT COMMISSION

A BAPTIST CHURCH PLANTING MINISTRY

June 2022

Pastor Billy Sechrist  
Sending Church Pastor

***“And all things, whatsoever ye shall ask in prayer, believing, ye shall receive.” Matthew 21:22***  
What a blessing to see the Lord answering the prayers of His faithful servants. Bro. Dice and his family (pictured) moved to Illinois believing God would provide them with the building for the Liberty Baptist Church. The Lord did not disappoint. It is a beautiful facility. Bro. Bryan was able to visit with them and was thrilled to see the church growth.

Each Pastor supported has news to share each month. We are excited to hear everything. From the AFC team, led by Bro. Walters in Texas, having 251 saved to Bro.

Whitehouse in Virginia having twins born to new members in his church. Every accomplishment is a blessing and we are honored to be a small part of it all. God has big plans for all of our Pastors and for the Outreach. We are still working hard toward starting churches in every state. We have been involved in church plants in 14 states to date. We realize there is a long way to go, but God is certainly able.

We took on our first Evangelist for support this month. Bro. Monte Watts and his family (pictured) are out or Crown Point, IN. Bro. Watts supports churches in multiple capacities. He not only preaches but also helps with remodels, he builds custom pulpits and tables. We are thrilled to have them as part of our team.

## NATIONAL PASTOR & TEAM NEWS

The Outreach has started support to even more national pastors in Mexico City (5), Indochina (2) and Nigeria (2). Souls are being saved in Vietnam, Cambodia (6 being led to the Lord pictured), the Philippines and many other countries through the Outreach. The Lord is opening doors all over the world. We are truly honored to be a small part in God's plan!

We do ask you pray for Bro. Holmes and Bro. Painter. They are currently in the states, but will be returning to their churches soon. Both will be minus one as they go back. We congratulate Rebekah Painter and Joseph Holmes who each graduated high school and will be staying in the States for college. Pray for their parents as they will be in different continents for the first time.

Bro. Painter is praying to return to Thailand in September, if things continue to go well with his health. He is busy here with the Karen language Sunday school class he and his wife began at their home church. They are seeing as many as 15 attend the class and were excited to get the report of 9 souls trusting Christ in their work in Thailand this month.

We also ask that you pray for several needs in Nigeria. Bro. Ransom Bob-Manuel is asking prayer for his Jr. Church and Bible Clubs. He was so happy they were able to buy a typewriter through the support we send. He can now give certificates to those who get baptized. Pastor Sikiru Mukaila told us of a group of teens having a conflict with another group over a motorbike. In retaliation one of the groups decided to burn down the community. The pastor and his family were forced to flee for several days before returning to find things in the church had been damaged and many members were left with no homes.

Pray for the City of Refuge Ministry. The Refuge takes in those who leave the Muslim faith and fear retaliation. They have requested prayers for the family of Pastor Shaibu who was killed by a group of Muslim youth because he accepted Christ. On the same day he was killed the group burned down his church and parsonage leaving his wife and seven children with no place to live.

## TENT MINISTRY UPDATE

The Lord is truly providing for this next aspect of the Outreach. The Tent Ministry will be used to help our church plants get people excited about the new church by attending the meetings held.

The tent has been ordered and will be picked up in August. A ministry such as this will require many extras. We have been praying for a 21 ft. trailer for hauling and the Lord provided! The trailer has graciously been donated, but we are still in need of a truck to pull the trailer.

We will also be in need of a generator, lighting, big fans, folding chairs, a movable stage and sledge hammers.

Please be in prayer about our being able to obtain these items. If you are led to help in any of these areas, please do not hesitate to contact us. We can't wait to see how God uses the tent ministry to further the building of churches across America!
