Reaching Out To Fulfill The Great Commission

Pastor Billy Sechrist
Sending Church Pastor

"Delight thyself also in the Lord; And he shall give thee the desires of thine heart." Psalms 37:4 I can truly say the desire of my heart, and the hearts of those who support the Ron Middleton Missions Outreach, is to see souls saved for Christ. We have diligently worked together to see over 4,000,000 souls saved. God's grace and goodness is abundant and serving Him is truly a delight. We are so honored to be used by God in such a mighty way.

Last month we told you about the Jeremy House Orphanage we are building in the Congo. This month we have sent \$10,000 to purchase the block and concrete mix to begin the building process. What a blessing the Jeremy House will be to the 28 children who will be housed there. These children have never slept on a mattress, so their own bed will be amazing to them. Because they have no parents, the Outreach will be supporting the home monthly to pay for their food, clothing, school, and medical needs. Most importantly the children will be given the Gospel and taught the Bible.

Please pray for Bro. Aaron McCullough who will be traveling to the Congo to oversee the building of the orphanage. We are also supporting pastor's there (pictured below). Getting updates from these men and all of our foreign pastors means so much. The soulwinning teams we support in Nigeria, go out six hours every week to pass out tracts to hundreds of people. Just this month they saw "55 SOULS who has professed Christ as their Savior". They are so excited to know people will go to Heaven because they are faithful in their efforts and the Lord is blessing. From Africa to Thailand and beyond we are working diligently to reach the world for Christ.

I personally was excited to visit some of our American church plants. The Lord has blessed me and my wife with the opportunity to travel to many of them this year and I look forward to sharing the churches with you. We made a trip this month to Chesapeake, VA to visit with Pastor Ben Nettlesheim. We also helped his brother, Jonathan, who was our very first church plant. The trip was such a success. Pictured below is Bro. Ben with two sisters who got saved on the Sunday I preached. Also, pictured is a couple who followed the Lord in Baptism at our church plant in Jasper, IN. Bro. James Young is doing a great job there and the church continues to grow. We enjoyed our visit with them.

We also received an update from the Mercy Mt. Girls Academy here in Asheboro, NC. Mrs. Lori and the girls were thrilled with the year they have had and the accomplishments of the girls there. They are praying to be able to expand the home so other girls will have the opportunity to come there and receive the help they so desperately need in their lives. Pictured below is the great big "Thank You" they are sending out to all who support their ministry.

For many years I have delighted myself in the work of the Lord. He is a faithful and just God who has surely given me the desire of my heart. This ministry is such a blessing to me personally and I pray it is to you also. Please keep us in your prayers and if you are not supporting us currently, I pray you will consider doing so.

In Christ;

Bro. Craig Bryan
