## A Baptist Church Planting Ministry

### DECEMBER 2025-JANUARY 2026

Evangelist Chris Dallas  
Assistant Director

**"For my thoughts are not your thoughts, neither are your ways my ways, saith the LORD." Isaiah 55:8** I am so thankful that the Lord leads with perfect wisdom when ours falls short. His strength carries us when we cannot see the way forward. We sure would be in a mess without the Lord.

These past few weeks have been especially difficult for our RMMO Family. The passing of Miss Brianna has weighed heavily on our hearts. Please continue to keep the Brown Family in your prayers as they trust in the Lord to carry them through this season of grief. The back of this letter is dedicated to Miss Brianna, whose faithful service was a blessing to the ministry and whose presence will be deeply missed.

I am excited to announce that Evangelist Chris Dallas will be joining me as the Assistant Director. The Outreach has grown significantly, and I can no longer manage it all on my own. It is a blessing to find someone who shares my passion for reaching lost souls and planting churches. Please keep him and his family in your prayers.

I was honored this month to visit one of our newest church plants. Brother Marcus Hunter in Dayton, Ohio, is doing an excellent job (as shown in the last picture below). I was also excited to hear about the results from Brother Jared Ballou's Charter Service Sunday at the new church plant in Pennsylvania. The church is growing, and on that particular day, 27 individuals signed the church charter.

We have also taken on Brother Charles Hamilton, who will be starting a church in Pennsylvania as well. It is a blessing to have two Independent Baptist churches opening in that state.

We were excited to receive an update from the Baptist Heritage Orphanage and the City of Refuge in Nigeria. The Refuge now accommodates 13 families. We are happy to hear the children at the orphanage are doing wonderfully. They recently had a fantastic Christmas party filled with gifts, and they proclaimed it the "Best Christmas Ever!" (See picture below.) Brother Thompsons included this in his report to us this month: *"Praise God! our partners are the best-and that is you! We could not do nothing without you, thank you for your prayers and sacrifices. The children will always remember your loving care and God will not forget."*

There is also a picture from a new church plant in Nigeria showing the members praying over a bike we helped purchase for their pastor, Huseini Ibrahim. It is an honor to support these men in their service to God and in spreading the Gospel to those in their communities. The national pastors have greater access to people in remote areas, but they still face danger from those who oppose Christians. Please keep them all in your prayers.

There are so many wonderful things happening, and I wish I had enough space on this page to share them all. But trust me when I say that God is truly blessing, even in the midst of heartbreak. His ways are not our ways, yet we can always trust Him, no matter what challenges come.

In Christ;

Bro. Craig Bryan

*He shall cover thee with his feathers, and under  
his wings shalt thou trust: his truth shall be  
thy shield and buckler.*

PSALM 91:4

As many of you know, we lost a cherished member of our RMMO family on December 30th. Miss Brianna Brown was called home to be with the Lord, whom she loved deeply, shared with others, and sang about with great beauty and grace.

Please keep her family in your prayers in the coming days and weeks. Below is a post made by her father, Brother Jonathan Brown:

“My dear friends, you see the nightmare, but let me show you the dream. Reports are being given to us of people trusting Christ all over the place. People are wanting to join churches and make their lives count like Brianna did as she “Let God Lead” and now she’s “Shining Bright.” Brianna knew that God, “He knows the way” to use “This Broken Vessel.” She saw Him “Faithful Through It All,” when she said take “The Life Which I Now Live.” Now she is “Looking Unto Jesus,” the author and finisher of her faith, with her own eyes. She is “Shining Bright” for all to see to give us all the strength to say, “NO TURNING BACK!”

Her song lives on, her cause remains alive, her love for lost souls has not diminished, and her service to the Lord has only grown stronger as she now stands before Him, praising Him for all eternity.
