REACHING OUT TO FULFILL THE GREAT COMMISSION

A BAPTIST CHURCH PLANTING MINISTRY

October 2022

Pastor Billy Sechrist
Sending Church Pastor

"Oh that men would praise the LORD for his goodness, and for his wonderful works to the children of men!" Psalm 107:8

We are growing again! We welcome Bro. Matthew Huntington to our team. Bro. Huntington will be helping to get our newest plants started in any way he is needed. He is a blessing and we are excited to support him. We are also excited to have helped in the start of 15 churches in America so far and will be adding more next month!

Bro. Merritt, in New York, reported the opening of the Upstate Baptist Church on October 16th. They canvased their area with invitations and we will be excited to receive his next report to hear about the big day. Bro. Whitehouse, in Virginia, let us know his church is growing. He was blessed with 16 new visitors! Please pray the new visitors will

become new members. Bro. Young, in Jasper, Indiana, is planning the first anniversary for the Living Hope Baptist Church! He and his wife are doing a great work there. Last month they had a contest to see which of two teams could pass out the most Gospel tracts. Together the 21 members passed out 1730 tracts. The way to grow the church is through visitation and soulwinning. Mrs. Young and her soulwinning partner are knocking on over 100 doors a week! What a blessing to see them all working together to build the church!

NATIONAL PASTOR & TEAM NEWS

We were excited to get pictures of the new roof we helped to provide. The Outreach was able to give 90% of the funding for the new roof of the ministry which is located in a restricted access area in South East Asia!

Bro. Painter and his family are very busy in Thailand since their return. Pray for them as they are looking for a building to rent for their Foundation office. They will eventually start a church there. During travel to Chiang Mai for some paper work, Bro. Painter's daughter gave a tract to the hotel manager. The next day he approached to tell them he had read the tract and asked Christ to save him! They were able to give him a bible and the next day he let them know he had posted on Facebook about receiving his new Bible!

We are excited to have also added Bro. Garry Way to our team. He and his wife work to provide for those in Israel. His desire is to raise the awareness to all Christians of the spiritual and physical needs of the people of Israel.

Please continue to pray for all of our foreign Pastors. Those in Nigeria, Philippines, Kenya, El Salvador, Thailand and Mexico all have needs. Each report comes with individual and church needs. The things we take for granted here in America can be a luxury to them.

ORPHANAGE UPDATE

It's back to school time for the Baptist Heritage Children's Home in Africa! There are now 10 children at the home. Two young girls, Happiness and Bright are also supported. The Home provides clothing and supplies along with all the necessary fees for all 12 children.

Their latest addition, Andrew, does not hear English and they do not understand his dialect because he is from Southern Kaduna. They are praying for a special teacher to help him with his teaching and for help with all of the fees. Please keep them in your prayers. Starting a new school year is always tough!

TENT MINISTRY NEWS

"O taste and see that the LORD is good: blessed is the man that trusteth in him." Psalm 34:8

We have a meeting scheduled! How exciting to see this ministry moving forward. We still have several things to buy before everything is completely ready to go, but God has been faithful to provide so far and we will continue to trust Him for the remaining needs!
