REACHING OUT TO FULFILL THE GREAT COMMISSION

A BAPTIST CHURCH PLANTING MINISTRY

January 2022

Pastor Billy Sechrist
Sending Church Pastor

"I press toward the mark for the prize of the high calling of God in Christ Jesus." Philippians 3:14

All of our Pastors are pressing toward the mark of church openings and soulwinning in this New Year! Bro. Jeff Walters in Texas is excited about all the Lord is doing through his ministry. The Victory Baptist Church is growing and has seen over 67 saved this month. They recently passed out 16,750 snack bags in needy, low-income areas of six different cities. What a blessing to feed them physically, but more importantly he feeds them spiritually.

Bro. Young, in Jasper, IN, is excited to begin renovations on his church building. The Living Hope Baptist Church will open its doors on April 17th! Bro. Young chose Easter Sunday as his opening date to celebrate the Risen Saviour. The Lord gives the only real hope to us all. Bro. Dice is also very excited to have found a building to begin his church. Please pray it works out for them.

Bro. Bobby Allen has asked we please pray for his daughter Shayla Allen. She is undergoing testing and scans due to an area of concern. Pray also for Bro. Jonathan Brown, our field representative, and his family. Bro. Jonathan's dad passed away unexpectedly this month. The Brown's are doing a fantastic job for the Outreach. They are a blessing to our team.

All of the Pastors we support are very thankful for those who give and pray. The support of the Outreach and our team is what helps them get to their fields faster. America desperately needs churches to preach the Gospel and lead their communities to the Lord.

NATIONAL PASTOR & TEAM NEWS

We are always honored to hear the praise reports from our foreign pastors. Pastor Mario Valenzuela, in the Philippines, was excited to tell of the new canopy bought for over 50 children to meet under for Sunday school. Usually they would meet under a mango tree or the side of a member's house. When the rain came it would interrupt the class as they would need to run for shelter. He felt so blessed God answered their prayer not only for the canopy, but in helping the 23 church families whose homes were damaged or destroyed by typhoon Odette. Many of the pastors we support in the Philippines have reported damage from the typhoon. Please keep them all in your prayers.

Pastor Tunde Ajai, in Nigeria, was so excited to tell of expanding the TV Ministry and preaching at a Youth Rally with over 200 hearing the Gospel and making decisions to serve God with their lives. He

also held a Soulwinning Rally on January 8th. We look forward to hearing of the results and how God blessed.

Please be in prayer for Bro. Painter. His return to Thailand has been postponed due to treatments for his health issues. Bro. Pron will continue the work at the church for him until he can return. Bro. Pron is continuing to lead in Soulwinning and tending to the needs of the people. What a blessing to have a man of God there to help keep Bro. Painter's ministry on track until he is able to return.

A recent post by Bro. Mickey, in Kenya, gave a praise report of the faithfulness of his people in mission giving. He was told 24 years ago the Kenyans were too poor to give to missions. He taught them to trust God and feels so blessed at their response. God uses everyone who has a willingness to serve.

We are so thankful to all those who give to the Outreach. God is using it to do great and mighty things. Please continue to pray for all of our pastors, their families and their churches.

ORPHANAGE UPDATE

Bro. Painter and his family are here in the States due to health issues, but they were able to send Christmas gifts to the Bann Pa Deng Children's Home through Bro. Pron. The children at the orphanages are members of the church and are taught English by the Painters. What a blessing to hear they are all doing well. Please pray for this orphanage and the Baptist Heritage Children's Home in Nigeria. Pray not only for the Lord to bless the children, but for those who run the homes, and for all who serve.
