REACHING OUT TO FULFILL THE GREAT COMMISSION

A BAPTIST CHURCH PLANTING MINISTRY

March 2022

Pastor Billy Sechrist
Sending Church Pastor

“Give me 100 preachers who fear nothing but sin and desire nothing but God; such alone will shake the gates of hell.”— John Wesley We would love to have planted 100 churches with 100 new pastors all across America. It may take awhile to reach that goal, but with God all things are possible!

We are honored to start support this month to Pastor Steven and Sindi Richardson. They and their five daughters have started a church in Minnie, Kentucky which is in the Appalachian Mountains. In his recent letter, he states, “The mountain culture can be a difficult field full of traditions, ideals, religion and economical depression. The masses may not be in the mountains...but God is with the masses as well as the one kid, one widow and the one person on the side of a mountain.” We are so thankful to be able to support him as he follows God’s will to preach the Gospel and see souls saved in the mountains of Kentucky.

It is such a blessing to see God not only work in Kentucky, but in all of our church plants. Bro. Bryan has been visiting some recently. He was able to be with Pastor Jon Nettesheim at the Elizabeth City Baptist Church in North Carolina for “Friend Day”. They had 30 saved and 4 baptized on that Sunday! All of our Pastor’s have given good reports. Hearing of the salvations, baptisms, spiritual growth and physical growth of the churches certainly lights a fire in our hearts to do more to reach America for Christ.

NATIONAL PASTOR & TEAM NEWS

“Declare his glory among the heathen, his wonders among all people.” Psalms 96:3

God’s wonders and glory never cease to amaze us. He always works in unexpected ways. Bro. Painter and his family have been in the states for several months and will not be able to return until Bro. Painters treatments for a blood disorder are complete. While here, he is attending his home church and has begun a Karen Language Sunday school class. The Painters have seen Karen people trust Christ every week. What a blessing for them to be able to use the skills learned for Thailand here at home.

While here at home, Bro. Pron is continuing the ministry in Thailand for Bro. Painter. The area there is currently being hit hard by the Omicron variant. Bro. Pron and his wife had the virus, but thankfully had mild symptoms. He continues to visit and hold Bible studies at a Burmese work camp where he saw 6 souls saved. God is contin-

uing to bless and work.

Pastor Shekwonugaza at the Salvation Baptist Church Chafwji, F.C.T. Abuja, sends thanks to everyone for the prayers and support. He was able to hold many different programs last month and is seeing many souls saved.

Bro. Mickey held graduation services at the Grace Baptist Academy. (pictured) Amazing to see so many young people and adults willing to follow God. We pray for each graduate to continue to seek His will for their lives.

We were glad to receive an update on Mrs. Becky Martin. Bro. Martin let us know she was doing well and continuing her treatments diligently. She will be having more testing this month. Please pray the results are on the positive side and she continues to feel and do well.

As an update, we are currently planning to take on ten new national pastors in the next month or so. Please pray the Lord will send the men

ORPHANAGE & GIRLS HOME UPDATE

“And all thy children shall be taught of the LORD; and great shall be the peace of thy children.” Isaiah 54:13

Children today are living in such perilous times. Especially those in the Ukraine. We were so honored to be given an opportunity to help two orphan children escape from the war torn country. A special offering was given by Grace Valley Baptist Church of Romney, WV to help with the safe removal of the children to Poland and eventually to America. Such a blessing to be a part of something so wonderful.

We were also able to give a special love offering, along with our monthly support, to the Mercy Mountain Girls Home in Asheboro. They were able to purchase a large piece of equipment needed for the home. Please pray the other needs for the home will be met. The everyday items needed for their care can be very expensive.

We are so thankful for the ability to help in supporting our orphanages and the girls home. Please help us pray to not only see their physical needs met, but most importantly their spiritual needs. It would be a sad thing for them to never come to truly know the Lord.
