"**Who will have all men to be saved, and to come unto the knowledge of the truth." 1 Timothy 2:4** If we read the verses before this, we know that it is God who would have all men to be saved. But what if we question ourselves and ask, "Who will have all men to be saved, and to come unto the knowledge of the truth?" I can honestly say that is the exact goal of the Ron Middlton Missions Outreach. We would that no man should perish without the saving knowledge of our Lord Jesus Christ. We are thankful for those who support us in our goal to reach the world for the Lord.

This month has been a very busy one for sure! I was blessed to visit with Pastor Tim Peterson of the Foundations Baptist Church in Rialto, CA. I enjoyed spending time with him and his family (pictured below). It was an extra special visit as his wife is a niece of our namesake, Bro. Ron Middleton. The church is now averaging 75 in attendance each week. I preached the Sunday services and was excited to have several come forward to receive Christ as their personal Savior.

I also visited with Pastor Kerby Campbell in Hutto, Texas. What a growing area that is! Hundreds and Hundreds of new homes are being developed in the area. He has the only Independent Baptist Church in the town and is looking forward to the church continuing to grow. Please pray that a building becomes available. Renting a building in Texas is very expensive. Especially in an area that has grown tremendously in manufacturing and housing.

We have received many updates from Bro. Aaron McCullough, concerning the orphanage we are building in the Congo. Everyone is getting excited as it nears completion. The concrete floors and metal roof are going up this week. (In the pictures below are a group of helpers who came from the states and a young man who has helped with the concrete this week. He will be living at the orphanage and attending bible classes.) Please pray about the cargo container that was shipped last month. It is stuck in port due to the tariff situation. They are praying it will be delivered this week.

Missionary Robert Mickey is currently working with 13 churches in Lake Tanganyika, in the Congo. He is planning a new church plant in one of the lake villages soon. Rebel activity in the area has slowed things down, but when it is safer, he will take the boat he is having built to the area to visit the villages that can only be accessed by water. He is also excited by the fact that if all goes as planned, they will have finished translating the New Testament into Swahili, and it will be ready to begin printing this year. He asks for prayer in finding the most cost-effective way to print and distribute them to the people.

We were excited to purchase a bus (pictured below) for Pastor Todd Herbert at Winningside Baptist Church in Greenwood, Arkansas. Though it will be a long road trip for them to pick up the bus here in North Carolina, it was a blessing to find one in good shape and at an excellent price.

Please continue to keep us in your prayers. With your continued support, we can plant Christ-honoring churches all over the world to win the lost and spread the Gospel.

In Christ;

Bro. Craig Bryan
