A Baptist Church Planting Ministry

OCTOBER 2025

Evangelist Craig Bryan
Founder

"Jesus Christ the same yesterday, and today, and for ever." Hebrews 13:8 Isn't it wonderful to know that no matter what comes into our lives, Jesus will be there and never change. He is with us each day with protection, provision, and power. What a mighty God we serve!

God has truly been blessing the Ron Middleton Missions Outreach. He continues to open doors and provide support for our efforts to plant even more churches worldwide! It is a huge blessing to help plant churches and report on their growth, but it is even more of a blessing when the churches we help get established, then take on the Outreach for monthly support. What a full-circle moment that is! God is so good today and every day.

I was excited to preach this month for Pastor Liam Skogen, who is in St. James, Minnesota. (pictured below) I was able to go soulwinning with him on the Saturday I was there. What a blessing to lead a lady to Christ on visitation, and then preach on Sunday and have 7 people walk the aisle. One of the ladies who received Christ was the town mayor's wife. I am here to say that God is still in the saving business, and it is the best business of all!

Last month, we asked for prayer for the Brown Family. They are our Field Representatives and had a planned trip to the Philippines. We were able to help provide support for the trip and Bro. Jonathan sent me the following statement, and I would like to share it with you.

"We had the privilege to go to the Philippines as a family, September 30-October 13. God provided for the trip in miraculous ways. While we were there, we ministered to 5 churches, 3 public schools, 2 children's village ministries, and one jail. Over all we had 49 accept Jesus as their Savior. We preached at the Public Servant's Appreciation Day for Pastor Jovean Labana, where 44 people trusted Christ. It was a very fruitful trip, and God worked in the hearts of our family in a mighty way. It was very humbling to go to church up in the mountains and see poor people walk for hours to come to church, happy and ready to serve God. These people didn't have much, but they sacrificed so much to serve our family. We went to be a blessing, but left more blessed by the people showing the true joy of serving Christ. We thank God for safety through 3 earthquakes, including being woken up at 1 a.m. to a 6.4 magnitude earthquake the morning we left. We thank God so much for the prayers and support people gave us to go on this life-changing trip." (pictures below)

We are excited to start new support each month. We have taken on Evangelist Chris Dallas. Through Bro. Dallas, we will be able to reach more men who have the desire to start new works. We have also taken on Bro. Josiah Sneade, who will be in Alaska, Bro. Rob Hranicky in Kentucky, Bro. Jonatan Avila in Texas, and Bro. Sean Johnson in Pennsylvania.

I am grateful to work with all of our pastors and their families. We supported Pastor Carnes in Georgia as he began, and now his church is taking on the RMMO. (A building we helped to build, pictured below). The pastors often thank me for supporting them, but I would like to thank them for allowing the Outreach to be a small part in starting their ministries

In Christ;

Bro. Craig Bryan
