REACHING OUT TO FULFILL THE GREAT COMMISSION

A BAPTIST CHURCH PLANTING MINISTRY

February 2022

Pastor Billy Sechrist
Sending Church Pastor

"Give unto the LORD the glory due unto his name; worship the LORD in the beauty of holiness." Psalm 29:2

We give God the glory and praise for His blessings on our American Church Planting Ministry! We see His hand in so many wonderful ways. He has provided buildings to start our newest church plants, He has provided support from new churches, and He has blessed the Soulwinning efforts of all of our Pastors. Not only has He been faithful in those areas, He has allowed us to take on Bro. Ernesto Maricorana who has planted a church in Sparta, MI. God is so good to us! Much better than we could ever deserve.

The reports coming in this month from our American pastors are so exciting. Bro. Whitehouse had 9 new visitors, and continues to see souls saved. Bro. Nettesheim and his family are continuing to see church growth and were very excited to have 21 saved last month. What a blessing to see God's people working so hard.

Victory in Grace Baptist Church, our plant in CO has seen the doors being opened to possibly obtaining a better building than originally thought. Please pray it works out and for them to find the pastor the Lord would have for

them. Pray also for our OK church plant. They are also in need of a Pastor, but still Soulwinning and having services while they wait for the man God has for them. All of our church plants need your prayers. We are now in 10 states. We are working to be in New York and others soon. The Outreach could never succeed without the efforts and support of our Team. We are so blessed and honored to be joined with such faithful people. Each soul seen saved will be recorded on every person's account in Heaven for giving, praying, and being apart of the Ron Middleton Missions Outreach.

NATIONAL PASTOR & TEAM NEWS

We have received differing reports from our National Pastors.

Some are celebrating the calm while others are just holding on and trusting God during the storm. They all need our prayers! In the Philippines, Pastor Melchor Herida's is doing his best along with 30 other graduates of Bro. Martins college to rebuild after a recent typhoon. Bro. Herida's building (left) was among many destroyed during the storm. Please be in prayer for the area and their needs. Rebuilding in the Philippines is not easy.

Pastor Sihok in Cambodia (right) sent us an update of the Youth Camp held this month at Rabbit Island. He was excited to tell of the 75 campers attending. He was even more excited to have 15 of those young people make a profession of faith, see 12 baptized and have 40 of them come forward to make a promise to surrender their lives to God's will. Pastor Dindam Mamchak, one of our newest plants in Nigeria, has steadily increased his attendance at his new church. He sent pictures of his Bible Club (bottom left). The Bible Club is attended by the children of his church and they are his most faithful members! What a blessing to see God work in the lives of children and young people all over the world.

Our Pastors are working hard to share the gospel with everyone they come in contact with. One of the Pastors in Nigeria is beginning a widows program, several others are helping the families of prisoners, many are street preaching and visiting their neighbors. They provide not only food to the poor and other physical necessities, but make sure the Gospel is given at every opportunity. They have many needs to be met and are very thankful for the support the Outreach is able to provide.

ORPHANAGE & GIRLS HOME UPDATE

"But when Jesus saw it, he was much displeased, and said unto them, Suffer the little children to come unto me, and forbid them not: for of such is the kingdom of God." Mark 10:14 We are so excited to begin support of the Mercy Mountain Academy Christian Girls Home. The girls home is located in Asheboro, North Carolina. God is using the home to help girls who need spiritual guidance to overcome trouble brought by wrong choices and behaviors. This past week the county issued their permit to expand the septic system on the house they purchased and are preparing. This will allow for double the enrollment. There is a waiting list due to the weekly calls of parents who need help for their daughters. We are honored to be apart of the ministry and ask you join us in praying for them.

We did get an update from Bro. Painter from the orphanages in Thailand. The Senior's Class at our home church, West Park Baptist, sent extra support this month. Bro. Painter used the money to purchase umbrellas to ship to them for the rainy season! The Lord loves and uses children. It is an honor to send support to help with their needs.

OUR TEAM GETTING THE JOB DONE

1,163,138 Souls Saved~**76,369** Baptized~**85** Church Plants~**91** Missionaries Supported~**3** Orphanages Supported
1 College & **1** Girls Home Supported
