REACHING OUT TO FULFILL THE GREAT COMMISSION

A BAPTIST CHURCH PLANTING MINISTRY

May 2022

Pastor Billy Sechrist
Sending Church Pastor

"I have planted, Apollos watered; but God gave the increase." 1 Corinthians 3:6

We are so excited to see the increase God is providing to our church plants! Bro. Andrew and Katlyn Merritt are our newest plants. (pictured) They will be working to start a church in upstate New York by the end of June! Please be in prayer for them as they are currently searching for housing and work. Once those things are accomplished they can move and get on target to start the church. Bro. Netteshiem, in North Carolina, is rejoicing in the fact they were able to purchase a new home in their area. His family is planting roots to continue the work God has given them.

We have also started support to Bro. Ernesto Marticorena who has a Spanish church in Comstock, Michigan. He is seeing souls saved and baptized as his church continues to rejoice in God's increases. Bro. Stephen Dice has signed a one-year lease on a building in Carmi, IL. They are working hard to have it ready for services on June 5th.

Bro. Walters in Texas took his group to share the Gospel with Afghanistan refugees who have settled in a south Dallas apartment complex. They are of the Muslim faith, and few speak English, but 2 teenagers did receive Jesus Christ as Saviour! His team has seen 592 people saved through the end of April.

The Outreach is now in 12 states. Our prayer is to continue to open churches in all 50 states across America. Pray the Lord continues to open doors and provide the needs. Pray also for our church plants in Colorado and Oklahoma. They each need a man of God to lead them and help them to grow. We are planting and waiting to see the increase the Lord gives.

NATIONAL PASTOR & TEAM NEWS

"Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them." Mark 11:24

Our National Pastors have so many needs. One of the most important is transportation. There is a great need for vehicles so the people can come and support the churches. Without people having the means to attend, the pastors cannot grow their churches. For that to happen the church must purchase a vehicle and keep up repairs. The outlying areas where most of the churches are do not have public transportation which would help ease the burden. Bro. Thompsons, in Africa, is one of those who requests prayers for his Church vehicle. More importantly he asks prayers for the health of his wife who had a major surgery and for the family of his personal assistant and

soul winning partner, Brother Jeyhz, who passed away last month at the age of 39.

Bro. Todd Painter is still in the states. He is hoping to be back in Thailand soon to continue his work there. Bro. Pron has done a great job to continue the church in his absence. It continues to grow and have souls saved, but he would appreciate prayers to return as soon as possible. Pray for the Swahili Bible Translation that has begun in Kenya with Bro. Robert Mickey. They have just begun the long journey to completion, but what a blessing it will be for the people to read the Word of God in their own language!

Bro. Mark Holmes and his family are in the states currently to "send-off" their son, Joseph, to college. It is a bittersweet time as they will return to Nigeria, after their four-month furlough, without him.

We all have needs, but we can pray believing God will work them out for our good and His glory. The National pastors we support have many more needs, but their true desire is not for the comforts or easing of their burdens. It is to see souls saved and lives changed for the Lord. It takes a team dedicated to spreading the Gospel to reach the World and with the Lord's help and continued prayers, we can be that team!

ORPHANAGE & GIRLS HOME UPDATES

The orphanages we support are continuing to thrive. There are always needs to be met, but their most important prayers are for the salvation of each child. The rearing of children for the Lord is a big responsibility. The Mercy Mt. Girls Academy is a huge example of the need of the Lord in children's hearts. Without the proper guidance, and sometimes even with it, children will make wrong choices. We are blessed to have Bro. and Mrs. Thompsons in Nigeria, the Samson's in Thailand and Mrs. Lori in America who have dedicated their lives to loving these children and teaching them about Jesus.

Pray with us that all the children who pass through their doors will grow to become spiritual leaders in their future homes and churches.
