*Reaching Out To Fulfill The Great Commission*

**"Give, and it will be given unto you. good measure, pressed down and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again." -Luke 6:38**

We are so thankful to those who have given to the Outreach. What an honor to work together in a great labor for the Lord. We are running over with joy at the blessings God is bestowing on this ministry. I stand amazed at the things that have been accomplished in the four years since we began this work. I pray God blesses all of you who support us.

This month has continued to be a busy one. We are currently holding a Tent Revival in Louisville, Kentucky, with Pastor Dan Botrell, at the New Hope Baptist Church. Even though the devil has continued to fight we are moving forward to spread the Gospel. Next month we will be in Romney, West Virginia (July 17-21) at the Grace Valley Baptist Church with Pastor Kenneth Lake. If you are near the area, we would be honored to have you join us.

We ask that you be in prayer for Bro. Todd Painter and his wife Tammy. He received a good report and is cleared on his health issue until next year. But Mrs. Tammy is having some serious health issues along with their daughter Rebecca. Please pray the Lord works everything out with them both.

We were honored to have Missionaries Mark and Sabrina Holmes visit us at our home church this month. It was a special blessing to help with the refuge home and the Baptist Heritage Orphanage (pictured below). The reports from Pastor Thompsons about the children there are always a blessing. This month we were able to send \$2000 to help with school fees.

We not only support the orphanage in Nigeria, but are continuing to build one from the ground up in the Congo. The picture below shows the progress made from their hard work. One of the pastors we support there sent us a great report this month of visiting five new villages. These villages were filled with Catholics but as they preached he could see they "were thirsty for the Words of God." We praise the Lord there were 393 who received Christ!

I received a thank you this month from Pastor Sam Carns, in Carrollton, GA. I was able to visit with him not long ago. The Outreach sent Bro. Jonathan Brown and a team of volunteers to assist in any way needed with their recent modular project. Pastor Carns wanted me to know what a huge difference our help made.

I was also able to visit our church plant in Wilburton, Ok. Before we found the old church building it was extremely run down (pictured below). While visiting I was told there was a young man who would come to that old building and do drugs. Then he came to the building and it was no longer run down. The building had been changed from a drug house to the Lord's House! That young man got saved and baptized in the same building he did drugs in and is now a faithful member. (pictured with me below) God is so amazing!

Could I ask of you to please continue to pray for us? Pray for the Outreach to continue the work God has given us to do. Pray for God's mercy and guidance and most of all, pray for lost souls to be saved!

In Christ;

Bro. Craig Bryan
