REACHING OUT TO FULFILL THE GREAT COMMISSION

A BAPTIST CHURCH PLANTING MINISTRY

September 2022

Pastor Billy Sechrist
Sending Church Pastor

"And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us." 1 John 5:14

We are excited to welcome Bro. Terry Boyd and his wife Jill to our team! They are starting the Liberty Baptist Church in North Myrtle Beach, SC. The Boyd's are in the process of selling their home and plan to move to South Carolina within a month.

Bro. Jeff Walters in Dallas, TX, shared with us the police there have posted the neighborhood of his church and one he visits as two of the three most dangerous in Dallas. Bro. Walters let us know, "Most church plants taking place certainly are not in high-crime, low income neighborhoods. The need in these neighborhoods is vast!" We are blessed to be able to support his efforts.

We have now helped to start churches in 18 states! God is truly blessing. We are so thankful for the prayers and sup-

CHURCH PLANTING

NATIONAL PASTOR & TEAM NEWS

There are so many things going on with our National Pastors we could never be able to give all of the updates, but we are excited to have taken on Bro. Daniel and Megan Gonzalez. They are planting a church in El Salvador. We welcome them to our team. We are excited to share the Painters are back in Thailand! Bro. Painter's health finally improved enough for them to safely return. They are so excited to be back to their church. While they were in the states, Bro. Pron was able to translate the Mercy & Truth smiley face tract into

the Karen language! They can now reach even more people there with the Gospel. Their youngest daughter returned with them, she is pictured sharing the Gospel with the children. Upon his return, Bro. Painter informed us of the need of one of our supported churches. The Outreach was able to send funds to help with the roofing of their building. Once finished they will be able to hold services in the dry.

Please be in prayer for Bro. Holmes and the Kelani family. Pastor Kelani was a dear friend of his who was killed by robbers in his home and his son was badly injured. Bro. Bryan had the privilege of meeting and preaching for Bro. Kelani. Please pray for his family and his church. He will be truly missed by those blessed to know him.

Bro. Mickey, in Kenya, updated us on his ministry this month. He was very excited to start classes at the Rift Valley College once again. Covid restrictions are still very intense within Africa. He rejoiced in 80 students attending class. He has broken ground on a new college building and praying for funds to move it along quickly. He also gave an update on the Swahili translation efforts. They have successfully finished John and Romans and will be making those available very soon. What a blessing to those people to finally be able to read God's Word in their own language!

ORPHANAGE & GIRLS HOME UPDATE

There have been lots of things going on with the Orphanage in Nigeria! All of the girls and Mrs. Sarah had to be treated for Typhoid and Malaria. Bro. Thompsons did not get sick and rejoiced in the ability to take care of them. All of the children passed exams and were promoted to the next grade. There are 9 children in the home, 5 others they help outside the home and 4 in the community. Bro. Painter visited one of the orphanages we support in Thailand. While there he was able to lead 2 of the 8 children to the Lord! What a blessing to help be a change in the lives of so many children. Please keep the homes in your prayers!

Mercy Mountain sent an update thanking everyone for all the help given to the home in the past month. They have now broken ground for the new two-bedroom staff house! Housing for the staff means more open rooms for them to take in girls. There are 8 young ladies currently enrolled at the home and a waiting list for others. Mrs. Lori receives about 3 calls per week from parents seeing enrollment. It is heartbreaking to not have room to help them!

TENT MINISTRY NEWS

The tent has arrived and the trailer is wrapped! What a blessing to see it all coming together. The ministry is still in need of lightweight folding chairs and large fans, but we are trusting the Lord to continue to provide. If you are not able to help with the physical needs of the ministry, we are always appreciative of your prayers!
