***"Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord."* 1 Corinthians 15:58** Another year has begun and we at the Ron Middleton Missions Outreach are as determined as ever to be unmovable in spreading the Gospel and seeing folks saved! God has blessed the ministry beyond measure and we are extremely thankful for the opportunities He has presented.

Bro. Jonathan and I recently spent time at our church plant in Wilburton, OK helping them to remodel their building. Pastor Mason Weber recently took over the church and pitched in to get the job done. We look forward to what God has for Bro. Weber and the church. We were also able to help the Amazing Grace Baptist Church in Missouri build a baptistry. Bro. Jonathan and his family drove out from here in North Carolina and have done an amazing job helping to get it installed and framed out. It looks great and we pray it will be filled continuously with new converts!

Please continue to pray for our foreign church plants. Bro. Todd Painter and his family have been back in Thailand, but the devil is fighting him at every turn. In his recent prayer letter Bro. Painter reported, *"The first 16 days of December were some of the most difficult days my wife and I have probably ever gone through as far as outside attacks and fears inside of ourselves. We did lose our current Visa though and had to leave the country to a nearby country and apply for a new Visa. We are glad to be back serving again! We went to a nearby restricted access country where I have been along with Bro. Craig Bryan and the RMMO ministry in Rockwell, NC helping some national pastors."* The difficulties did not slow them down at all! They were able to still see souls saved and pass out food to over thirty homes in the villages for Christmas. We are so honored to be a help to their ministry.

Bro. Martin in the Philippines let us know about the success of their annual Christmas musical. There were over 1300 in attendance the first two days. His people have also had much success in their soulwinning program. They have seen Muslims, Roman Catholics and even a Jehovah's witness come to know Christ. The Truth Baptist Church, in Nigeria, hosted Camp for Friends of the Deaf. Over 120 Nigerian deaf gathered together. There were dozens saved and 13 baptized. What a blessing to get the reports from all of our Missionaries. Their ministries are such a blessing.

We have also been able to help out with the new school house at the Mercy Mountain Academy. Mrs. Lori reports the building is complete and thanks everyone for the support which has helped to make it possible. The new staff house is 45% completed. Please pray for the rest of the work to be done quickly and for a new lady who would be willing to help in the ministry.

Once again, we thank you for your continued support!

In Christ;

Bro. Craig Bryan
