REACHING OUT TO FULFILL THE GREAT COMMISSION

A BAPTIST CHURCH PLANTING MINISTRY

Evangelist Craig Bryan
Founder

November 2022

Pastor Billy Sechrist
Sending Church Pastor

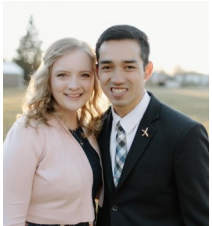

Please pray for our men working in Oklahoma! The Lord has opened the door for the Oklahoma church plant, Genesis Baptist Church, to purchase a building. (pictured) Bro. Bryan and a group of our men are there helping the new Pastor, Bro. Mason Weber to do the needed repairs to get the church ready to open as soon as possible. The people in the town are very excited about and are eager for services to begin. We are also starting a new church plant in Anchorage, Alaska. The building that was once a bar will now be a Baptist Church. Will are also supporting a new plant in Kentucky with Pastor Dan Botrell and in Craig, Colorado, Pastor James Williams and his family moved there to take on the church. We are looking forward to

what God has for them all there as their churches continue to grow.

Bro. Terry Boyd and his wife were very happy to report they were finally able to move to South Carolina. Their first church service was held in their living room! They even had visitors for the evening service. Pray they will find a building quickly and continue to grow. It is a very busy time and we praise the Lord for all He is doing in each church we support.

NATIONAL PASTOR & TEAM NEWS

We are excited and honored to support Pastor Bhim and Charity Ghimire who are going to Nepal to start a church. They are very excited and appreciate the support the Outreach is able to provide. We can't wait to hear of the souls saved and progress made!

Please pray for Bro. Painter and his family as they work to open the new offices in Thailand. The Foundation Office will benefit the Painters in teaching English, religious, and moral principles to help the Thai people. Bro. Martin, in the Philippines, sent an update on his wife. Mrs. Becky is almost one year into her cancer treatments and doing well. She has a two year regimen and is sticking to it. Please pray for full remission!

Congratulations to Pastor Samson & Mercy Adams in Nigeria on the birth of their son, Brian. Pastor Adams' church continues to grow, but requests prayers to get their church building program back on track after a three year setback.

Pastor Oluwagbemiga Dada, also of Nigeria, went to a new place to visit and saw 20 people saved in one hour! He hopes to see a new church to begin there in Ilesha in Osun Sate. There is no Independent Baptist Church in that area.

All of our National Pastors have various needs, be they financial or spiritually. Mostly they covet seeing souls saved for the Glory of the Lord! By supporting the Outreach, each soul saved is credited to your account. We are all working together as a team to see the Great Commission fulfilled.

ORPHANAGE & GIRLS HOME UPDATES

The Outreach was able to help the Mercy Mountain Girls Home this month with more repairs. Bro. Jonathan Brown was able to help them in sheet-rocking and other areas at the home. Please pray they can get the rest of their projects funded and finished.

We have been blessed to increase our support to the orphanage in Nigeria. With 10 children at the home full time, food, new clothing, and school fees are very costly. We are honored to help support them. Children are the future of every church. If we can reach this generation of children, we will have a better chance at reaching the world with the Gospel. Please pray for the salvation of each child living at the home and for all of the workers.
