REACHING OUT TO FULFILL THE GREAT COMMISSION

A BAPTIST CHURCH PLANTING MINISTRY

April 2022

Pastor Billy Sechrist
Sending Church Pastor

“Church planting teaches two things more than any other: that God is faithful and that we must learn how to depend on that faithful God.” Stepping out on faith to fulfill God’s will for your life can be a daunting endeavor. We are so thankful our Pastors have humbled themselves to follow God’s will for their lives. It is a true blessing to hear how God is growing our church plants. The attendance is up at each, souls are being saved, and lives changed. Please continue to keep them all in your prayers. Especially pray for the Colorado and Oklahoma plants that God would send the right men to lead them.

We are thrilled for the Living Hope Baptist Church! Bro. Young was too excited to wait for the building to be ready and began holding services in his home. There were 10 people at the first service! They have visited over 75% of Jasper, IN and are already seeing their numbers grow. For their grand opening on Easter Sunday there were 52 in attendance! What a blessing to see God work.

Pray for Bro. Richardson and his family in Kentucky. An outbreak of Covid slowed things down for a bit but he was thrilled to report a good number of visitors and souls saved this month.

From Colorado to North Carolina and many states in between the Lord is moving to see souls saved! America needs the Lord and we are so blessed to be a part of reaching souls for Christ!

NATIONAL PASTOR & TEAM NEWS

“And I will give you pastors according to mine heart, which shall feed you with knowledge and understand.” **Jeremiah 3:15** Please pray for the men God has allowed us to support. Each man is very important and the work they are doing for the Lord is such a blessing to see. Bro. Juno in the Philippines said it best, “True happiness in life is that when somebody got saved because you done something for Him to know the Savior.” The pastors we support have dedicated their lives to seeing souls saved! Bro. Sihok in Cambodia had the privilege of leading the 6 adults pictured to the Lord. Bro. Montero, also in the Philippines was rejoicing over “Family Sunday 2022” where 11 souls were saved and his church “witnessed an event that was done for the glory of the Lord.”

Yenagoa Independent Baptist Church in Nigeria has grown two bus routes and goes out Soulwinning on Fridays and Saturdays. The pastor is thrilled with the average attendance of 50! Transportation for soulwinning is not easy in a lot of the countries we support. In America we definitely take a car in every driveway for granted.

We sincerely covet your prayers for all of our men. Bro. Painter is still in the states due to health issues. Please, pray he will be well enough soon for he and his family to return to Thailand. When God has laid a country on your heart the people become like family. We know he will be thrilled to be in his church with his people as soon as possible.

Bro. Ayodeji Peter in Nigeria recently graduated from Bible College (pictured) and has begun his church. His prayer requests are very important to continue his ministry. He needs a permanent place of gathering, an access to water for baptisms, and along with Bro. Tamobele at the Faith Alive Baptist Church, he requests prayer for more laborers to assist with the work. There always seems plenty to do for the Lord, but not always enough workers. They are so thankful for the support we offer, but truly appreciate our prayers as they know God can provide all needs.

ORPHANAGE & GIRLS HOME UPDATES

“Lo, children are an heritage of the Lord: and the fruit of the womb is his reward.” **Psalm 127:3** The smile on her precious face says it all. The simple joy of a new school uniform, a backpack and lunchbox. What an honor it is to help the children at the orphanages.

We at the Outreach truly believe the Lord is blessing because of the support we provide to the precious children who need it most. The children are safe, loved and not only fed physically, but most importantly spiritually!

We thank you for the continued support. Bro. Thompsons in Nigeria was thrilled to be able to pay all the school fees for the children without any delays. Thankfully there were no health issues this time. He attributed it to being able to buy tanker water. It seems a small thing, but to them it can mean so much. The home there has several needs as do the homes in Burma. Please pray the Lord continues to bless them and meet those needs. In Nigeria a roof is needed over their building, a generator is needed and the annual rent comes due quickly.

There are so many things we take for granted in America. For us electricity is readily available, clean running water is as easy as turning a handle but to these children obtaining even simple things can be a struggle. Continue to keep them in your prayers.
