December 2023

Reaching Out To Fulfill The Great Commission

Pastor Billy Sechrist
Sending Church Pastor

"And the angel said unto her, Fear not, Mary: for thou hast found favour with God. And, behold, thou shalt conceive in thy womb, and bring forth a son, and shalt call his name JESUS." Luke 1:30-31 What a blessing to celebrate the gift of Jesus! We are so thankful He did not stay a baby. He grew into a man and was crucified to take away the sins of this old wicked world. The baby born that day, the wonderful Jesus, came to seek and to save the lost. Without Jesus all we do would be in vain. Jesus, Jesus, Jesus, there is just something wonderful and magnificent about that name. That's the name we lift up and spread all over the world!

We are so honored to work with the Pastors we support. The stories of how they spread the Gospel everyday are a true blessing. Bro. Todd Painter in Thailand held a Christmas program this month. When the time came for the program he had 316 in attendance. He reported that of those there, "80 hands testified that they trusted Christ". God is so good!

Bro. Ransom in Nigeria is celebrating his two year anniversary. He was excited to tell how his church has grown to an average of 35 people who attend regularly. He was so thankful for the support he receives. With it he was able to purchase a church sign, more chairs and four more fans! Bro. Victor Acka, of the Vande Baptist Church in Nigeria, wrote "We are very, very grateful and indebted to you which only God can be able to pay you back." With the support he is able to pay the utilities and a host of other needs are met. We were able to take on several more new men for support in Nigeria and Thailand this month.

We were also thrilled to hear this month from Pastor Thompsons and the children's home in Nigeria (pictured below). His family and all the children at the home are doing well. The children were excited for Christmas. They each received 2 new outfits and 2 new pairs of shoes. The children are doing great in their studies, but they do ask you pray for the home to have the means to pay school fees, the orphanage rent, and money to help with staff.

Our American plants are going well also. We have begun support to Bro. Ben Nettesheim in Chesapeake, Va. His brother, Jonathan, was one of the first men taken on for support. His church now sends support every month to the Outreach. Pastor Dan Bottrell in Kentucky asks for prayers they find a new building for services and also they get the funds to purchase new chairs. Bro. Spann, at the Genesis Baptist Church in Wilburton, OK, was excited to report they finally have heat. The heater needed servicing after the gas lines were finally installed and by God's grace, once it was cleaned really good, his system fired right up! All of the churches we help to plant have needs, but especially the need of prayer. Bro. Jeff Walters in Texas is doing a great work and seeing souls saved but it is a very dangerous area in the inner city with gangs and violence. We have also started to support Bro. Aaron McCullough in New Jersey. He plants churches in the Congo. He holds survival camps for Missionaries who will be going to Peru to help them know what to expect as they go to start churches there.

The Outreach is also blessed to support the Mercy Mountain Girls Home (pictured below). It is wonderful to get the reports telling of the girls graduating and going on to Bible college. We were thrilled the home was able to complete the staff house and schoolhouse, added new staff, and paved the driveway. They are praying to be able to add on so that even more young ladies can be reached for the Lord.

In Christ;

Bro. Craig Bryan
