"For even the Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many." Mark 10:45

What an amazing time I had in Thailand! I enjoyed the visit with Bro. Painter and his family so much. Through an interpreter I was able to preach to the people. Those who attended were hungry for the Word of God. Most of them were Buddhists and had never heard anything from the Bible. Taking them from the beginning of creation to Jesus dying on the cross took awhile, but we were blessed to see 23 souls saved for the week. I was very honored to be apart of the first service in Bro. Painter's new building. (pictured) He thought there would at least be 15 who came, but we were blessed with 36. God is so good! I want to give a shout out to Miss

Deborah Painter (pictured) for all of her help in interpreting during the soulwinning and other activities. What a blessing she is. Miss Deborah has picked up the language very quickly and is using the ability to help win adults and children alike. God is using the Painter's ministry in a mighty way.

We are so excited our Craig, Colorado plant has a building! Through the blessings of God they were able to purchase an old bank building. Bro. Jonathan Brown is there now helping to assess the remodel. Pray for them. Because it is a bank there is a huge vault that will need to be removed or designed around. Our church plant in Oklahoma has also being remodeling their building. They were in need of \$22,000 to finish everything. God supplied the need and every penny was provided! They are hoping to start services on September 1st.

There are so many things happening within the Outreach and the churches we support. Over four million souls have been saved through the Pastors we have invested in. They are all dedicated to winning souls and preaching the Gospel even though the areas they are serving in are not always the best. Bro. Walters is in the gang district of Dallas. Going out on visitation puts them in danger, but he continues to serve by trying to reach the lost. What better way to clean up the world than through salvation. As the great Evangelist Lester Roloff once said, "If you want to save America, get America saved." I think this not only applies to America, but to the world.

Please continue to be in prayer for the orphanages, the Mercy Mountain Academy, all of our pastors, and our missionaries. We could never do what God would have us do without your support and prayers. We are so thankful for you all.

In Christ;

Bro. Craig Bryan
