God is truly blessing the Outreach in our work to reach America! We have teamed with Bro. Mickey Ellis to start a new work in Wilburton, Oklahoma. The tent meeting held yielded great results with many attending and souls saved! The first convert saved is now passing out tracts and singing in church! God is so good! Please pray God will send the right man to Pastor and for the right church building. We pray the building pictured will work out for them. We are also starting a new church plant in Hampton, VA. Bro. William Whitehouse, who is active Air Force, will be pastoring close to base in hopes to not only reach civilians, but the soldiers stationed near his church. We are so honored to support him.

We are working hard to get things going for the NY plant and for many others. Please pray the Lord will continue to lead. Our men are working hard to build a work for Christ. It could not be done without your support; for that we thank you!

NATIONAL PASTOR & TEAM NEWS

"Now unto him that is able to do exceeding abundantly above all that we ask or think according to the power that worketh in us...Ephesian 3:20 God is truly working through our National church plants as well. We have been blessed to start 4 more churches in Nigeria, 3 more in the Philippines and a new one in Thailand (Indochina).

Covid is still slowing things down. Bro. Mickey, in Kenya, is on lock down along with Bro. Painter, in Thailand, where gatherings of more than 5 people is banned. The penalty if caught with more than allowed is two years in prison. Through rice distributions to the people he has been able to spread the Gospel and see souls saved. Bro. Wynne, in Mexico City, has finally been able to open up. He is

now holding services in the church, the fields, the streets and private homes. A group of his men were sent to Haiti where several thousand were saved! He asks we please be in prayer for the safety of his family due to the rise in kidnappings for ransom.

Our Pastors in the Philippines had most of the restrictions lifted. Pastor Devie Toting hosted a Youth Conference where 200 attended. Twelve of them were first time visitors who trusted Christ and were baptized. Thirteen surrendered for Bible College.

Bro. Toting made the statement, "Pandemic is not the reason to do less for God. It is a great opportunity." Thankfully all of the churches we support are using every opportunity to do as the Lord has commanded and we are seeing thousands saved and baptized.

ORPHANAGE UPDATE

Exciting news from the Baptist Heritage Children's Home in Nigeria, all of the children passed their exams! Bro. Thompsons was also happy to report they were able to secure a separate tank for drinking water. He did tell us about one of the staff having Hepatitis C. Because of this, they will all have to undergo testing. Please pray they all test negative.

Recently, the home was able to hire a new cook and was able to pass all of the government inspections. The Outreach sent extra support to help with getting a Fire Certificate, providing Medicecks for different ailments, school fees and additional school needs. It is a blessing to help meet some of their needs.

The picture is of the men from Truth Baptist Church visiting the members of the Home. They were there to bring supplies and the children were able to sing to them and pray with them.

Bro. Thompsons asks that we pray for some of the burdens they face. One being people knocking at the door begging for food and another of parents who come to them pressuring to receive their children into the orphanage. They would love to take them all but sadly it is not possible.

Delight thyself also in the Lord: and he shall give thee the desires of thine heart. Psalm 37:4

The desire in the hearts of the Pastor's we support is to see souls saved and lives changed. Bro. Whitehouse was thrilled to have 8 saved and 10 first time visitors in his new church in Hampton, VA. He also has 5 lined up to baptize. What a blessing!

All of our men are doing a great work. God is blessing their efforts and building their churches. Some say Soulwinning does not work, but the proof is very evident in these ministries that it does. Lives are being changed and we are honored to have a small part in the work being done for the Lord.

Please pray for all of our American church plants. The new year is fast approaching. We are praying for more doors to be opened. We ask that you pray also for our desire to purchase a tent for special meetings. Because it is such a big purchase, we are praying the Lord sends the extra funds for this project. It will be a great tool to kick off

meetings for our new pastors. We thank you for your support and for being part of the Outreach team.

NATIONAL PASTOR & TEAM NEWS

I can do all things through Christ which strengtheneth me. Philippians 4:13

Bro. Bryan survived his Nigerian trip! We praise the Lord for his safety and for the hundreds of souls saved. He traveled to many areas while there, meeting all of the Nigerian Pastors supported by the Outreach. He preached 2 to 3 times per day. There were conferences, special meetings and even a school where he saw 42 saved, including the principal and his wife. We are so thankful God took care of him and brought him home with only a few minor glitches.

Bro. Holmes was a very gracious host. He and his family are doing a wonderful work. While there Bro. Bryan was able to see the

college and the dorms that are being built. The Outreach has been able to give even more this month so the college can be completed sooner. It is a vital tool needed to train more pastors and plant more new churches.

Pray for Bro. Holmes and the City of Refuge Ministry. The Refuge provides a home for those who were formerly Muslims but have converted to Christianity. Bro. Bryan was able to meet these people who have been rescued from all over the country. They were in hiding for their lives and the lives of their children. The stand they are taking for the Lord could have costed them their lives. We are honored to help support them.

Please pray for Bro. Martin and his family. They are facing some issues and would greatly appreciate the prayers. Pray also, for Bro. Painter and his wife who is having some health issues. They are in the states but will be heading back to Thailand soon. Bro. Siouk, in Cambodia was excited to finally be open and hold a Kids Soulwinning Outreach with 114 kids attending. During the invitation 53 raised their hands for salvation! His church, the Liberty Baptist Church Dongker, will be doing a Christmas Program at 6 different mission places in the coming month. He asks we pray they see many souls saved.

ORPHANAGE UPDATE

While in Nigeria, Bro. Bryan was able to visit the children at the Baptist Heritage Children & Aged Harbour. What a blessing to meet them and deliver the gifts he brought with him. Bro. Thompsons request we pray for the children, the youngest is in the picture with their gifts. The Outreach was able to provide a refrigerator for them this month. Please pray for their other needs: a roof for their building, a desk top computer, wisdom and health and most importantly their safety due to security concerns. Continue to pray for the Boan Pa Deng Children's Shelters. We look forward to an updated report when Bro. painter returns to Thailand.
