# Ron Middleton Missions Outreach

A BAPTIST CHURCH PLANTING MINISTRY

March 2024

*Reaching Out To Fulfill The Great Commission*

Pastor Billy Sechrist

**“And it shall come to pass, that whosoever shall call on the name of the Lord shall be saved.”-Acts 2:21** This verse ends with the words “how shall they hear without a preacher?” Too many places throughout the world have no real Bible believing church to attend or preacher to hear God’s Word. The world cannot be led to Jesus without someone who is willing to dedicate their life to serving the Lord. The Ron Middleton Missions Outreach is completely dedicated to serving God through building churches, providing them with a pastor, and working to win souls. We give God the glory for the great things He has done!

One of the great things the Lord has done is to provide us the support to build “The Jeremy House” orphanage in the Congo. Bro. McCollough recently returned after a three week trip to the area where the home will be built. The first picture below is of the block going up. Not only was Bro. McCollough able to see the work being done on the building, but the work being done there for the Lord. In two of the villages there has been new churches established. These churches do not have buildings to meet in, even though they are running seventy or more in attendance. This month we were blessed to send support to help them begin the building process. We were also able to start support this month for two more Congo national pastors. During the three week visit 754 trusted Christ as their Savior.

This month we were also able to send extra support to Bro. Mark Holmes in Nigeria. Bro. Holmes is building a new auditorium for his work there. (Last picture below) What a blessing to see the things being done for the Lord! Bro. Todd Painter, in Thailand, recently hosted a group from a restricted access nation near their church. The group leader preached and students from the college sang during the service. The Outreach is honored to support the college each month. Bro. Jones, in South Africa, let us know he was able to finally register his church and rent a building. They are now planning a big opening day service. As Pastor Marvin Juno, from the Philippines put it, “There is a double time needed for the work of the Lord being entrusted to the Church.” We all need to be busy for the Lord!

Please be in prayer for all those we support. There are needs in every ministry and we are working hard to help them get each church established. On Easter Sunday, I was honored to visit Victory In Grace Baptist Church, in Craig, Colorado. There were five who came forward for salvation that day! What a blessing it was to see the old bank building turned into a thriving work for the Lord! The devil fought hard to stop the church, but to God be the Glory it is going forward for Him. Pastor James Williams is working hard to see souls saved and continue to grow the church (pictured below).

My prayer is that the Lord will continue to use the Ron Middleton Missions Outreach. I pray He continues to send men who are willing to give their all to serve Him and to be used in a great and mighty way. I pray He sends men who have a desire to see the “whosoever’s” come forward to call on the Lord and be saved from that awful place called Hell.

I ask you continue to support us in anyway you can, be it financial or through prayer as we need both to continue to do this work for the Lord.

In Christ;

Bro. Craig Bryan
