

HUNGER DOESN'T TAKE A VACATION.

While many families head to the lake this summer, thousands of children across Georgina lose access to reliable meals when school ends.

About The Pantry

At the Georgina Food Pantry, we strive to provide respectful access to nutritious food that supports our community and encourages positive change. Our vision is a community where everyone feels included and food security is a reality for all.

We offer emergency food assistance to individuals and families in need, as well as support a community garden and kitchen where people can build skills, reduce isolation and grow more self-sufficient.

Through our efforts, we aim to foster a welcoming, inclusive and thriving community.

Summer Hunger Is Real

Summer in Georgina is a time for beaches, boating, campfires, and making memories. But while school is out, many children lose access to breakfast and lunch programs they rely on throughout the school year.

For families already struggling with rising food costs, summer can mean additional pressure to provide extra meals and snacks every single day.

The Georgina Food Pantry helps ensure local children, families, seniors, and individuals have access to nutritious food when they need it most.
