

Hello, Golfers

Gentlemen,

I just reposted for 3 time the pairings make sure they are correct. I had 5 golfers who I did not get their entry and they said they mailed it. I changed the groups many times to make everyone happy. **DON'T WAIT UNTIL 2 OR 3 DAYS BEFORE TOURNAMENT TO MAIL YOUR ENTRY. I WILL FIT YOU IN BUT THERE WILL BE A \$10 FINE IF I DON'T HAVE IT IN THE PO BOX ON DEAD LINE DAY.** If you want to play with someone mark it on entry form, I'm not a mind reader. Avoid this and just give entries to me at the tournaments. I don't know when Post Office is going to send mail to Sacramento for processing. I'm sorry to complain but changing the pairings over and over again makes my job a lot harder. It also takes a lot more time.

We will be playing The Valley 3 Tees (WHITE) at 5978 yards and the VALLEY 4 Tees (GREEN) at 5323 yards (80+ in age or 30+ in handicap) Closest to Pin will be 7 and 17 and Long Putt will be 9 and 18. 9 AM shotgun start.

I will have extra entry forms, membership forms and mailing labels at Eagle Valley West, thanks again to Bill Turner for printing them. I forgot to give phone number in last Newsletter if anyone wants to contact Silver State Heating and Air for maybe an air conditioner check-up before the hot weather call 775-677-2944.

It seemed like a lot of golfers liked the extra game we had 64 golfers in the EXTRA game and 88 golfers in the SKINS game. We will again be playing "NET 666" at Eagle Valley West. Remember we will be playing an EXTRA optional money game \$6 in addition to \$10 skins program. Both Skins and EXTRA game are handicapped and will be by flight. You can find information on EXTRA game under the Forms tab at our webpage.
