

## Hello, Golfers

Gentlemen,

I just posted the results for Eagle Valley West Golf. It was really windy and cold out there. The results are posted for NNSGC results, SKINS Results (74 Golfers) and EXTRA game results (54 Golfers). A pair of Glasses were turned in and a SW iron cover contact me if these are yours. When you turn a scorecard in at end of the round please SIGN IT and have Last names on cards.

Toiyabe is in 2 weeks so get your entries in. I already have 95 golfers signed up, Thanks for getting your entries in on time.

THERE WILL BE A \$10 FINE IF I DON'T HAVE YOUR ENTRY IN THE PO BOX ON DEAD LINE DAY., which is one week prior to the tournament date. Many of you got smart and just gave me your entry at Eagle Valley West for Toiyabe, Thank You. I don't know when Post Office is going to send mail to Sacramento for processing. I'm sorry to complain but changing the pairings over and over again makes my job a lot harder. It also takes a lot more time.

I will have extra entry forms, membership forms and mailing labels at Toiyabe, thanks again to Bill Turner for printing them.
