

# Bricks By the Numbers

Do you still have fond memories of what it felt like to be a Brickie Football player? Do you find yourself wanting to be a bigger part of the Brickie Football legacy? Of course you do! We want that, too!

Join us as we develop the history of Hobart Football and become a sponsored member of Bricks By the Numbers! Take the opportunity to sponsor your number as it goes down in a published history of those that came before you, played next to you, and those that carried on the legacy of your football jersey number.

Sponsor your number today! Become a member with a monetary donation matching your jersey number. Become a Purple Level member by rounding up your donation to \$100. Become a Gold Level member by rounding up your donation to \$250+.

Bricks By the Numbers can be found on our website, [www.hobartfootball.net](http://www.hobartfootball.net), on our Facebook page, @bricksbythenumbers, and in our Game Day Program.

## Here's how the program works:

Let's say you or your loved one wore #71. By donating \$71, your name will be forever commemorated on the program's website and in the Game Day program in black text.

For example: **71 David Kostbade**

Should you choose to become a premier Purple Level member by rounding your jersey number to \$100, your name will forever be commemorated on the program's website and in the Game Day program in purple font.

For example: **71 David Kostbade**

Should you choose to become an elite Gold Level member by rounding your jersey number to \$250+, your name will forever be commemorated on the program's website and in the Game Day program in gold font as a most esteemed member of the Brickie Football legacy.

For example: **71 David Kostbade**
