A Note From Bev...

Puzzles have a way of bringing us together just as the Woman's Club does. There are hunters (think auction committee) who love to search and find. There are the competitors (think Healing Hearts Walk) racing against the clock to find those missing pieces. There are strategists (think board). There are achievers (think committee members) who help get everything in its proper spot. And, there are the leisure folks who fill in here and there. We all make a difference! Though every person's process varies, the end goal is the same: to take a bunch of seemingly random pieces and fit them together until the picture we build comes into focus. Our end goal is to have fun, work hard, and generate goodwill to our neighbors and community. This thought was paraphrased from Joanna Gaines.

A new season is upon us. I love fall but am not quite ready to give up the "lazy days of summer". We've taken two months off from our regular meetings and had fun raising money with Abby's Pizza night, Menchie's Frozen Yogurt, and OC Brewing as well as a fun afternoon of listening to music Out in the Garden and a fun night of painting wine glasses! This month nine of us volunteered to fill backpacks full of school supplies for Start Right. September is here and it's time to get busy! Together we make a difference!

Please plan to attend the Healing Hearts Walk! Remember it's a big fundraiser for all three organizations! And, don't forget to get your auction contributions to Sheila as soon as possible. October 20th will be here before you know it.

Hope to see all of you at our meeting September 12. In the meantime enjoy those lazy days of summer when you find them.

Healing Hearts Walk

The Oregon City Woman's Club would like you to invite friends & family to our Healing Hearts Walk, Sunday, September 8. We are teaming up with the Oregon City Optimists and Angels in the Outfield to raise money to help domestic abuse/violence and other forms of adversity in our communities.

It is a 5K family friendly run/walk beginning at the Clackamas County Public Service buildings at 2051 Karen Rd, Oregon City. The route travels through Hillendale Park and back to the county buildings. Meet in the Circle of Honor between the two brick buildings for check-in that begins at 8:30. Run/walk begins at 10. There will be face painting, police canine, door prizes and more.

We will be collecting old tennis shoes to be recycled into playground surfaces so check your closets, your friend's closets, your neighbor's closets..... and help us conserve our planet! We'll have barrels to deposit them into.

Register <https://healingheartswalk2019.eventbrite.com> Please mark OCWC when you register.

\$35, kids 4-10 \$15, 3 & under free.

Every year the Oregon City Woman's Club hosts our annual auction to raise money to provide for our many projects - and now our Scholarship Fund as well!

How can you help?

- ❖ For those that signed up at the June meeting or before, you can deliver your items to Sheila (skwilson@msn.com or 503-550-1393) at any time, but no later than the end of September.
- ❖ Please make a basket! We would like at least 25 beautiful baskets. We have many ideas for baskets too!
- ❖ Buy a Gift Card to donate – great for those who do not want to do a basket. Gift cards may be for restaurants, events, services, you name it! We would like at least 50 nice gift cards.

The Auction Committee has been busy obtaining auction items. If you have businesses that you would like to contact and want to know if they are on the list of those we are already contacting, contact Sheila for the list (it is little long for the newsletter).

Want to help on the Auction Committee, completing baskets, helping with set up and any decorations that we plan to do??? We can always use help, contact Sheila to let her know.

Thank you, Sheila Wilson
