## Reflecting on Summer 2024

We might be a little biased, but Camp Blue Diamond has some of the best campers of any summer camp in the world. You would be hard pressed to find a summer camp that brings together a better group of campers than Camp Blue Diamond.

This summer was one of the hotter and dryer summers in recent years. However, there were very few complaints about the weather, and honestly those we did hear mainly came from the kitchen crew. The campers realized that they were only here for one week and wanted to make sure they got to experience everything Camp Blue Diamond has to offer so there's no use complaining about how hot it is, and no rain just means you get to be outside and swim even more.

Our campers hiked over a combined total of 1,000 miles throughout the summer, or about half the length of the Appalachian Trail. They also climbed the tower, rode the zipline, and soared on the giant swing hundreds of times.

The many skits and other talents that were shared during Creative Arts Camp, Youth Camp and all the other camps would surely have won multiple Oscar Awards or America's Got Talent if they had been eligible.

The most important reason why Camp Blue Diamond has the greatest summer campers is because of all the love that they shared for each other this summer. As you are probably aware, the theme for this summer was Linked by Love. This summer everyone that came to camp was invited to think about how God loves each one of us. We explored God's presences in loving relationships, and we were encouraged to build deeper connections with our communities.

Ultimately, we were reminded that love is from God and that God's love is an example of how to love others. We are called to share God's love in all our relationships.

The campers showed this love by encouraging one another, helping and supporting each other, and even made a paper chain with ways they saw others showing love. By the end of the summer this paper chain went all around the carpeted room of the lodge.

We can all take a lesson from our campers and share God's love with those around us. If we came into all our interactions from a place of love what a better world we would build. We are not called to always agree with everyone else, but we are called to love everyone else.

So, let's be more like the amazing campers of Camp Blue Diamond and love each other a little more.

# Heritage Fair: Sept. 21<sup>st</sup>

Heritage Fair is quickly approaching! We are excited to welcome everyone and your churches to Camp to join together to raise funds for Camp Blue Diamond and the Middle PA District. It is always such a joy and blessing to reconnect with family and friends, eat amazing food, have loads of fun and enjoy the beauty of Camp!

There will be a special area just for kids with scarecrow making, a bounce house, sawdust pile, and lots of games and activities. Adults and youth can enjoy musicians, food and craft booths, displays, the Dunker Dunk Tank and of course the auction. The Heritage Fair Team hopes your church is talking up Heritage Fair and making plans on how to participate with a booth and to donate auction items.

Overnight lodging is available in the Lodge, summer camp cabins and the campground. If you have questions about Heritage Fair, or wish to reserve a room, cabin or site, contact us at [info@campbluediamond.org](mailto:info@campbluediamond.org) call (814) 667-2355. See you at Heritage Fair!

## Summer Bible Study Reflection

Exodus 18: 5-24 tells a story about Moses and his father-in-law, Jethro. Jethro sees Moses, worn out from being the Israelite's sole representative to God, and offers him some friendly advice: no one person can carry the weight of the physical world on their shoulders, no matter how hard they try. While Jethro's comments apply to serving as a judge for the Israelites' grievances, they can be applied to all tasks. Big or small, trivial or otherwise, we can only carry so much responsibility by ourselves. You may be thinking, what does this have to do with Summer Camp? Well, quite a lot when you think about it. Each camper that enters these woods carries with them plenty of baggage, and not just their sleeping bags and clothes for the week. So too do their parents, grandparents, aunts, uncles, and guardians. Even the summer staff are not exempt from the outside world bleeding into daily life at camp. And yet, for one week out of 52 in a year there is a place where none of that weight feels quite so heavy. A week spent in a place so full of God's creation and blessings! A week spent in a place full of new friends that are here to walk a mile and bear the load.

We spent this summer talking about how we are Linked in Love, highlighting the ways we find ourselves connected to one another. Recognizing the common experiences of life reminds us that, as Christians, it's important for us to share the love we receive with all those around us. Sometimes that means accepting others as they are, other times it means being open to change and hearing (or speaking) the truth. As Jethro reminds us, linking together in love is a task better performed in community with one another. What better place to put this into practice than Camp Blue Diamond?! So, we did. We spent an incredible 7 weeks in this beautiful space caring for one another - laughing and crying, sharing/making amazing stories and memories, and focusing on the things that link us together instead of those things that divide us. Jethro closed his speech to Moses by saying: "If you do this and God so commands, you will be able to stand the strain, and all these people will go home satisfied." I think we can safely say that everyone left camp this year satisfied and looking forward to another great summer!

We give thanks to all of you. To all of you who attended, who worked/volunteered, who stood with us in prayer for another incredible summer, we thank you for being linked in love with us this summer. Blessings in this offseason, and we'll see you in summer 2025! -Gabe Imler, PD.

## Campers and Parents Willingly Supported the EDF

Every summer the Program Committee chooses a Summer Project for campers, parents, staff and board members to support through financial donations. It's a reminder to all of us that our community reaches beyond our friends at camp and home. This year our camp project was to raise money for The Brethren Disaster Ministries Emergency Disaster Fund. The Brethren Disaster Ministry is a vital outreach ministry of the Church of the Brethren, providing much needed support to individuals reeling from the effects of Natural Disasters, War, Illness, and Poverty. Brethren Disaster Ministry is responsible for finding volunteers to aid in building projects and other disaster response projects across the globe. The Disaster Ministry is funded by the Emergency Disaster Fund (EDF), which in turn is fueled by individual, church, and fundraiser donations. Presently, EDF is preparing to help those displaced by the unrest in Haiti and will need monetary donations to ensure the many programs in Brethren Disaster Ministry can function to their fullest and reach all those in need. EDF is a prime example of how we are all Linked by Love, everyone's donations will be used to help our brothers and sisters from the Haitian Churches of the Brethren to rebuild and reconnect with one another. Thank you to everyone that helped us raise almost \$900 for the Emergency Disaster Fund.
