

Dunk-the-Dunkard Water Bucket Challenge

We challenge your congregation to accept the
Heritage Fair Water Bucket Challenge!

All you have to do is enlist your Pastor(s), Choir Director, Camp Rep, or a member of your congregation to get wet, and then get everyone to make a pledge to pay to see their friend get drenched. Make it a competition, up the ante to pass the drenching to someone else, or raise even more money to get a neighboring pastor wet!

Use your imagination, have fun, and send a video to
Camp & District so we all can enjoy the drenching!

Our challenge to you - - raise \$200.00 to Dunk-the-Dunkard!

Please make all of this happen by no later than October 15th.
Send the money, along with other Heritage Fair funds raised, to the
District Center. If the total raised by October 15 is \$25,000, or more,
district and camp leadership will get dunked by a
tractor bucket full of iced water.
