Why Spay & Neuter your Pets?

Choosing to have your pet spayed or neutered is so important for several reasons. The procedure, performed at a veterinarian's office or spay/neuter clinic, helps pets stay healthier and happier. And, most importantly, the choice to spay or neuter your pet helps save the lives of homeless pets.

Did you know?

Just 2 cats and their kittens can produce up to 420,000 kittens in 7 years?
