Product Examples

Bucket

Teeth

Drill Bits

Self Sharpening
Teeth

End Bits

Pins and Retainers

Dozer Blades

Hardware Parts

Pumps

Product Examples

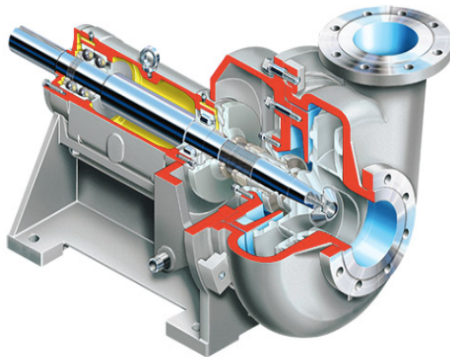

Submersible Pump

Gear Pump

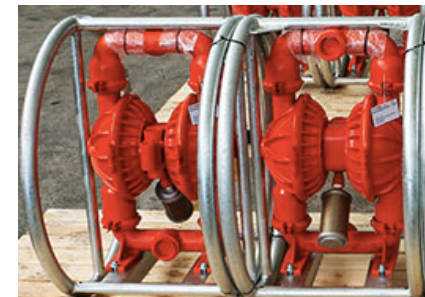

Piston Pump

Slurry Pump

Centrifugal Pumps

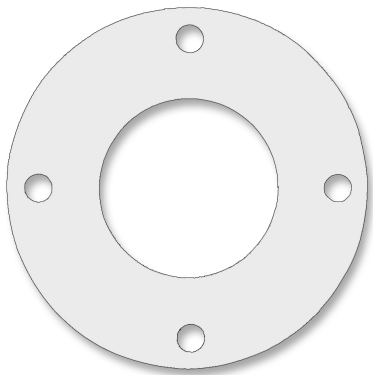

Diaphragm Pump

Gaskets

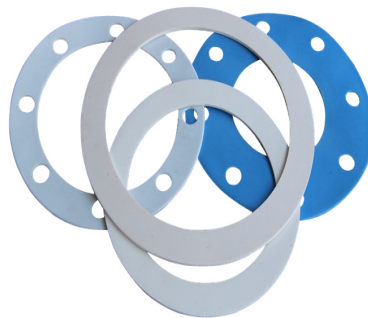

Value-Add

- Proven track record servicing world-class clients
- Heavy-duty sealing solutions include:
 - Increase safety and uptime
 - Reduce water and energy costs
 - Extend service life of equipment
- Built for heavy-duty performance
- Provides reliable service through exposure to abrasive materials and high-pressure environments

Product Examples

Expanded PTFE Products

Modified PTFE Gaskets

Filled PTFE Sealants

PTFE Filters

Security Products

Security Products:

Industrial Bearings

Value-Add

- Tailored made for different industries and equipment
- Delivery between 6 – 8 weeks
- Manufactured as standard to P5 tolerance for running accuracy
- Ultra clean steel for longer life under heavy loads

Industry Applications

Metallurgy

Mining

Product Examples

CA SERIES

CC SERIES

E SERIES

MB SERIES

Cables

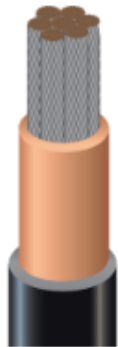

Mining Cables
600V - 35kV

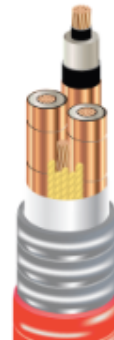

Industrial Flexible
600V - 2000V

Industrial Cables
600V - 2000V

Transit Cables
600V - 35kV

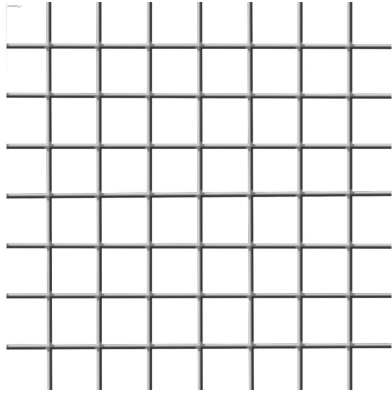

Medium Voltage
2.4kV - 35kV

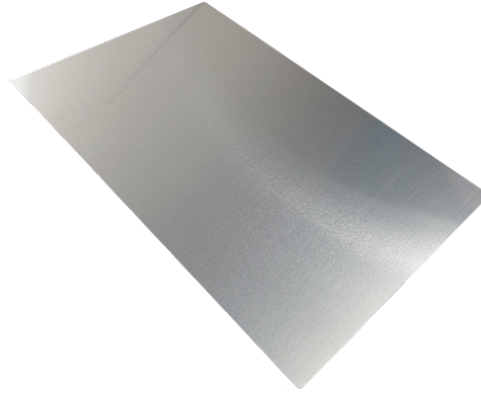

Flexible Cord
SPEC 72000

Steel Products + Steel Services

Steel Products:

Wire Mesh

Galvanized Sheet

Stair Rod

Steel Services: Cutting and Storage

Steel Cutting:

- World-class customized cutting services
- Pantograph technology and high definition CNC machinery,
- Ability to cut steel sheets with thickness of 8"
- Cutting bed of 8'x20'

Steel Storage:

- Expert material handling for a wide array of steel and metal storage
- Security, productivity and safety are prioritized in a designated and secured space in a proprietary facility

Hose

Air

Oil

Chemical

Material handling

Dredging

Hydraulics
