

Getting to know the club and what we provide

A breakdown of each area-

Food Activities – These activities are designed around making healthy food fun, with a few added treats to keep our little ones smiling– Please ensure all information of children with allergies or special food is provided in our registration form.

Creative art sessions – Implements a level of fun/messy and creative art time to each session.

Outdoor sports – This is allocated to ensure that all children receive much needed active outdoor time at each session.

Group Game – Implemented to provide a level of interaction, friendship making and social skill amongst all children who attend each session.

Extra activities – are based around several different fun and exciting activities – they include science experiments, challenge games, activity worksheets, extra group games, allocated movie times and some outdoor water fun (water activities will require a spare set of clothes – these are detailed below)

Children's Choice – Allows our children to have a say and freedom of choice at what they would like to do within a children's choice session.

Several extra tables, floor mats and outdoor equipment, separate to the planned areas below, are set up each day with different fun games and toys to ensure all children can freely play throughout the day.

We have an allocated relaxation Section. this allows our children to relax at any point of the session with DVD'S, books and puzzle.

Our behaviour management area to allow children to cool down if needed – this section includes – THINK SHEETS (used in replacement of time out – this allows children to do a short paper sheet addressing areas such as – what happened, how they felt and what could they could do better next time if an incident should occur (for younger children these sheets are picture based) – along with stress toys and books based around find your calm and emotions. To reward good behaviour, we have our welldon kids club wall of fame- we hand out certificates each week to reward our children in many different areas such as, star of the week, good manners, sports participation, acts of kindness, helper of the week and much, much more.

Please see a full breakdown of all dates and activities for each day throughout the summer holidays below.
