Healthy Eating Policy

WellDon Kids Club provides healthy, nutritious and balanced food and drinks. Food and drink are safely prepared with regard to the dietary and religious requirements of the children in our care. We ask parents to notify us regarding any special dietary requirements or allergies when they register their child.

Information regarding food allergies is recorded on the Allergy Information Board which is visible to staff.

WellDon Kids Club promotes healthy eating and leads by example. Staff responsible for food preparation, handling and storage have received appropriate training.
