OUR STORY

Northside Kitchen opened just after thanksgiving day in 2011, with a mission to bring value and craft cooking back to the Vail Valley. As a counter service restaurant we quickly outgrew our original small space on the north side of our building. In 2013 we expanded into our new bigger home you now enjoy and switched to full service. Throughout the years we have added four additional new restaurants and delicious menus to the valley, but we have never strayed from our mission to bring the best food, service, and value in Colorado.

To celebrate 13 years of slogging it out next to two gas stations on the I-70, we have given Northside Kitchen a new look and a new menu. We are calling it Northside PRIME! PRIME means a lot to us.

We live in one of the PRIME locations to ski the Rockies. We try hard to PRIME your tank with our world class breakfast, lunch, and bakery every day. We tend our greenhouse and gardens across the street during the PRIME seasons to provide us with PRIME produce. We use only PRIME Beef on our dinner menu to ensure you get the best quality cuts available. We root for coach PRIME and our Buffs. We are PRIMED and ready to take our food, service, and restaurant to the next level. Thanks for coming to Northside for dinner. We are honored you chose us.

As noted above, we have four other wonderful opportunities for your dining pleasure in the neighborhood:

Southside Benderz is Avon's favored sports bar with everything you'd expect from a sports bar. Homemade cuisine (a big word over there) and 25 TVs. We also have Avon's Best Happy Hour!

Fattoria is our now famous Mountain inspired Italian restaurant (also in Avon) which serves homemade pasta, dry-aged beef, bone-in veal chops, fresh seafood, chicken cacciatore and has won three Wine Spectator awards in three years.

Ed'z in Edwards is our beautiful addition to the down valley dining scene, which serves rotisserie comfort food in a modern mountain setting. Our ribs and chicken are cooked right in front of you, and our meatloaf can't be beat. From pot pies and hush puppies to squash salad and potato skins, we have something for everyone.

Benderz Burgers has two locations where you can grab a juicy, cooked to order burger in record time. We have fries, chicken sandwiches, and milkshakes too. While you're there pick up one of our take-n-bake meals for your family. Huge portions, value pricing, and our same amazing culinary team make cooking at home easy.
