OUR STORY

Northside Kitchen opened just after thanksgiving day in 2011, with a mission to bring value and craft cooking back to the Vail Valley. As a counter service restaurant we quickly outgrew our original small space on the north side of our building. In 2013 we expanded into our new bigger home you now enjoy and switched to full service. Throughout the years we have added four additional new restaurants and delicious menus to the valley, but we have never strayed from our mission to bring the best food, service, and value in Colorado. For over 14 years, we have been Colorado's Classic Ski Town Restaurant. We provide our guests with hearty breakfast and ski town cuisine at fair prices. Our service is unmatched, and we strive to make everyone feel like they have been coming to our restaurant since we opened.

Thanks for coming to Northside for dinner. We are honored you chose us.

As noted above, we have four other wonderful opportunities for your dining pleasure in the neighborhood:

Southside Benderz -is Avon's favored sports bar with everything you'd expect from a sports bar. Homemade cuisine (a big word over there) and 25 TVs. We also have Avon's Best Happy Hour!

Fattoria -is our now famous Mountain inspired Italian restaurant (also in Avon) which serves homemade pasta, dry-aged beef, bone-in veal chops, fresh seafood, chicken cacciatore and has won four Wine Spectator awards in as many years.

Ed's in Edwards -is our beautiful addition to the down valley dining scene, which serves rotisserie comfort food in a modern mountain setting. Our ribs and chicken are cooked right in front of you, and our meatloaf can't be beat. From pot pies and hush puppies to squash salad and potato skins, we have something for everyone.

Benderz Burgers -has two locations where you can grab a juicy, cooked to order burger in record time. We have fries, chicken sandwiches, and milkshakes too. While you're there pick up one of our take-n-bake meals for your family. Huge portions, value pricing, and our same amazing culinary team make cooking at home easy.
