BIBLE BOWL RULES

March 6 – 8, 2026 :: Atlanta, Georgia

I. Competition

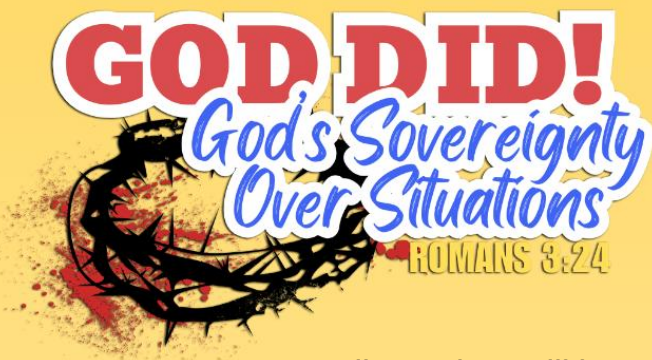

- Ø All competing teams will participate in two separate rounds.
- Ø The teams will be given a rest period of 5-minutes between rounds.
- Ø At the end of the second round, the scores from both rounds will be added together to come up with a final score for each team.
- Ø The team with the highest final score will be the champion.
- Ø Trophies will be awarded for first, second, and third placements.
- Ø In the event of a tie, each team should select one participant to answer a tie-breaker question. One question will be asked to those participants until a clear winner is determined.
- Ø The competition may change based on time and any other unforeseen factors that require expedition.

II. Teams

- Ø Congregations are allowed two (2) teams per age group. Each team must consist of four (4) participants. Two (2) alternates can be designated for each team. Alternates are not interchangeable.
- Ø Team members will sit behind each other, in linear format with eyes facing forward. No other seating formats are acceptable.
- Ø Age Groups and chapters to study for each are:
 - Ø Ages 6-9 John 1-4
 - Ø Ages 10-13 John 5-9
 - Ø Ages 14-18..... John 10-15
 - Ø Ages 19-24..... John 16-21

III. Questions

- Ø All scriptures will come from the New King James Version.
- Ø Questions are privately prepared and sealed by a representative from a non-competing congregation. No questions nor study materials will be shared with participants beforehand.
- Ø New questions will be read for each round. Once a question has been read in a round, it will no longer be used.
 - § The questions will come from the Book of John as listed above.
 - § All questions will be randomly selected by the moderator.

- § All questions will be multiple choice (A, B, and C).
- § Each question will be read twice.
- § Each team member will have a set of individual cards marked A, B, and C. Once the question is read and time is called, the team members will each raise the card they believe to be the correct answer.

IV. Scoring

- Ø Each question will have a value of five (5) points per team member, per question, per correct answer. There is no recorded score for incorrect answers.
- Ø Once the question is read, the timekeeper will say “time.” At this point each contestant should raise their card with their answer.
- Ø Five (5) bonus points will be awarded if each team member has the correct answer. With four (4) participants, this makes the possible number of points awarded for each question 25.

V. Coaches and Score Keepers

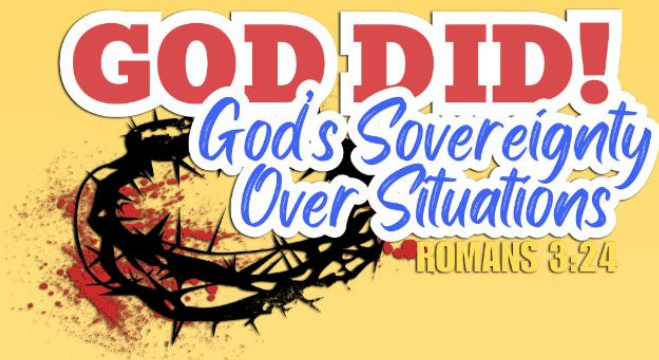

- Ø Each team must have one adult coach.
- Ø Each team will be assigned a scorekeeper.
- Ø The scorekeeper and coach will sit side-by-side in front of their respective team.
- Ø The scorekeeper and coach will both keep the score of their respective team to ensure that the scores are added correctly.
- Ø If the scorekeeper and coach have a discrepancy with the scoring of a particular question, they must notify the moderator before the next question is read by saying “STOP!” If the moderator has completed the next question, then the right to protest is lost, and the scorekeeper’s score will serve as the official score.

VI. Conduct

- Ø All participants must maintain godly and respectful conduct during the competition. Supporters must exercise unquestionable integrity, making no gestures or suggestive indication when questions are being answered. This includes thumbs up gestures, head shaking yes or no, blinking, and the like.

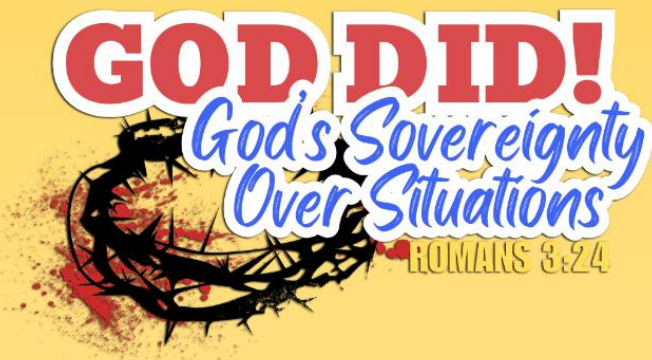

- Ø Supporters should refrain from handclapping during the active competition. Polite handclapping is allowed during breaks and at the end of the competition.
- Ø Other behavior not accepted includes:
 - § Yelling
 - § Cheering
 - § Whistling
 - § Foot stomping
 - § Calling out answers
 - § Answer signaling of any kind
- Ø If judges determine that supporters are in violation of these, there will be one warning issued. If a team's supporters persist after being warned, they will be asked to leave the competition, and their team will have two (2) points deducted.
- Ø It is expected that all teams and their supporters will behave honorably and appropriately during and after the competition. Should anyone have comments, suggestions, or concerns regarding event occurrences, please visit the registration desk where comment cards will be available for feedback.

NOTE: If a congregation is unable to form a team in an age division, a participant may move up to a higher age group to compete. Moving down to a younger age group is not permitted.

Once a participant selects an appropriate age group (including any move up), that assignment is locked for the remainder of the Bible Bowl. No switching back and forth between age groups.

Any move is upward only and permanent for this Bible Bowl. Participants who move up must remain in that higher age group until the competition is completed.
