DIFFERENTIATORS

CLIENT AND PARTNER RELATIONSHIPS

At RTF, we are committed to cultivating enduring and robust relationships with our clients, partners, and teams. We believe that these connections are the foundation of successful projects and sustainable growth.

COMMUNITY-CENTRIC APPROACH

As a proud minority-owned business, we hold a strong reputation in our community. We're dedicated to giving back and engaging with the communities we serve, making a positive impact beyond construction.

COMMUNITY PARTNERSHIP

We prioritize community engagement and collaboration. Working closely with local communities not only enhances our projects but also strengthens the areas in which we operate.

METICULOUS ATTENTION TO DETAIL

Our unwavering attention to detail is the cornerstone of our business. It is what distinguishes us and allows us to deliver efficient, cost-effective, superior, and secure solutions. We believe that excellence lies in the minutiae, and it's this commitment to precision that sets us apart.

LEADERSHIP VISIONARY

MUSSE MOHAMUD
CEO

Musse Mohamud, CEO of Road To Finish, LLC (RTF), is a civil engineering graduate from The Ohio State University. With extensive experience in heavy highway/roadway construction and expertise in asphalt testing, concrete testing, and aggregate testing, Musse brings a wealth of construction knowledge.

Musse has a strong public sector background, having worked at ODOT Districts 6 and 7 planning departments. In the private sector, Musse has successfully overseen numerous construction projects in Ohio, earning a reputation for delivering results on time and within budget. Musse's leadership and experience drive RTF's commitment to excellence in construction management.
