

Road To Finish, LLC (RTF) - Project Engineer

RTF, a premier construction management firm, is actively seeking a talented and experienced Project Engineer for our Construction Services department. This is a pivotal role that requires a motivated individual with a strong background in transportation projects. As a Project Engineer at RTF, you will be instrumental in overseeing and ensuring the successful execution of various construction projects, including roadway and bridge projects, and municipal utility or infrastructure projects.

General Statement of Duties:

- Perform construction administration and inspection services for state, county, and local roadway and bridge projects.
- Monitor and enforce quality standards and specifications, read blueprints, and contribute to a variety of construction projects.
- Inspect construction projects to ensure contractor compliance with state specifications, plans, and/or proposals.
- Verify plan quantities and calculations with bid plans, prepare and maintain project records and reports.
- Notify the Contractor or the Project Manager with status updates or information about non-conforming work.

Supervision:

- Work independently on broad projects under the direction of a Department Manager.
- No direct supervisory duties required.

Knowledge:

- Understanding of civil and engineering principles, analysis, and reporting.

Skills:

- Strong communication skills, both verbally and in writing.

Education and Experience Required:

- Bachelor's degree in Civil Engineering or a related field.
- Professional Engineer (P.E.) license is required.
- 4-6 years of experience working on transportation projects for ODOT or local municipality.
- Certifications are a plus, especially: American Concrete Institute (ACI) Grade I, ODOT Asphalt Technician, NICET Level II Soils.

Abilities:

- Reliability, punctuality, and a team player mindset.
- Ability to monitor and enforce quality control standards and specifications.
- Proficient in reading blueprints and maintaining a client-focused approach.
- Collaboration and teamwork skills.

RTF Company Overview:

- RTF is a dynamic and growing construction management firm specializing in construction inspection and material testing services.
- We offer a collaborative and inclusive work environment, promoting teamwork and success.
- RTF is committed to employee growth and development, providing opportunities for personal and professional success.

Join RTF and become part of a team dedicated to delivering exceptional construction projects. We offer a competitive salary, benefits, and opportunities for personal and professional growth.
