IMMIGRATION ASSESSMENT PAYMENT LINK, PROCEDURES AND PAYMENT INSTRUCTIONS

Dear Potential Client:

Thank you very much for your interest in my services. My name is Iouri Oliinik, and I am a Licensee of the College of Immigration and Citizenship Consultants (formerly Immigration Consultants of Canada Regulatory Council) (ICCRC). My ICCRC Membership number is R 506 848. CICC is a professional regulator responsible for regulating providers of Immigration Consulting/Advocacy Services. I provide immigration services through the International Communications and Jurisprudence Centre Inc. (ICJC)

What you get during our consultation

During our consultation, we will give you our undivided attention and offer sound legal advice for your potential problems or issues based on the information you provided in our Immigration Assessment Questionnaire for Potential Clients.

We will review any additional documents that you presented to us and answer all your questions. Depending on the length of the consultation, we will create a strategy, plan deadlines, and explain the future costs to you. Following the consultation, we will send you a retainer agreement with the information that was provided during our initial agreement.

For only **\$300.00 US**, I, Iouri Oliinik and/or ICJC will also examine your chances of success and assist you in selecting the best possible option(s) for you to immigrate to Canada. This service is provided to you without any further obligations on your or Iouri Oliinik's /International Communications and Jurisprudence Centre's part. Completing the enclosed questionnaire, assessing your immigration case, and submitting it to Iouri Oliinik does not create a long-term Client-Counsel/Consultant/Advocate relationship intended to represent you before Canadian Immigration Authorities until **Retainer/Service Agreement** specifying the terms and conditions of our Client-Counsel/Advocate/Consultant relationship.

A separate Retainer Agreement for any representing our client(s) and or dealing with new immigration issues/matters **MUST** be signed to represent you before Immigration, Refugees and Citizenship Canada (IRCC) or any arms-length/subsidiaries, organizations or any successors thereof outlining the terms and conditions of Client-Counsel/Consultant/Advocate relationship and does not guarantee that you will be successful in your immigration process.

Please read all instructions, terms, and conditions outlined in the enclosed IMMIGRATION ASSESSMENT QUESTIONNAIRE carefully. By completing and submitting this IMMIGRATION ASSESSMENT QUESTIONNAIRE, you agree to comply with the terms and conditions thereof.

You also agree that your payment for assessing your immigration possibilities and preparing your Immigration Assessment Report is **NON-REFUNDABLE** under any circumstances, regardless of the assessment results (whether favourable or unfavourable to you and/or your family members). The assessment of your case is intended to help you and your family members minimize the cost of your immigration procedures and/or possible refusal of your own and/or your family members' immigration applications.

Required Photo Identification Documents

As required by the Government of Canada and our regulator, the College of Immigration and Citizenship Consultants (CICC (www.college-ic.ca)), you are required to present some form of government identification when you retain us to provide our services. Other than following the guidelines by Law and Regulations, there are two valid and important reasons to confirm your identity.

1) Identity Fraud Prevention:

We want to ensure that you are not a victim of identity theft, as this is an ongoing issue in Canada and may present future problems if your identification is stolen.

2) True Identity Confirmation

As your representative, Iouri Oliinik and/or ICJC are responsible for confirming our Client's true identity with the identification documents of all clients we represent.

3) Possible Conflict of Interest Prevention:

A conflict of interest is a situation that inhibits our ability to:

- Provide clients with our undivided loyalty because of a bias or from past representation from our clients.
- Conflict of interest may also arise during our representation process. In the event of a joint retainer agreement, according to the Code of Professional Ethics, the Client(s) understand that no information received in connection with the matter from one Client can be treated as confidential so far as any of the other Clients are concerned and that if the conflict develops that cannot be resolved, the Iouri Oliinik/ICJC cannot continue to act for both or all of the Clients and may have to withdraw completely. More information is available at <https://college-ic.ca>.
- Other conflicts may arise that cannot as yet be foreseen. A conflict of interest occurs when what is best for one of his clients somehow is not best for or hurts another of his clients.
- If it later becomes apparent that there is a conflict, Iouri Oliinik will attempt to resolve it. If a successful resolution cannot be accomplished/achieved in a timely way or at all, or if Iouri Oliinik's attempts to resolve the issue would cause his ethical concerns, Iouri Oliinik will have to withdraw from representing all of you.

Should you retain our services, the sum of **\$300.00 US** you already paid/or are about to pay for your Comprehensive Immigration Assessment Report Preparation, the amount mentioned above will be credited towards your first payment for immigration consulting/advocacy services provided to you and/or your family member(s). Your payment cannot be credited towards the cost of processing fees/consular payments, medical examination, courier or any other disbursements that may already be or will be incurred on your behalf because these payments are the applicants' direct responsibility.

All potential clients are required to complete and agree to the terms and conditions outlined in the enclosed IMMIGRATION ASSESSMENT QUESTIONNAIRE to estimate their chances of immigrating to Canada.

All of your close family members (spouse, children or grandchildren if applicable), whether they are planning to immigrate to Canada with you or not, MUST ALSO COMPLETE this questionnaire. (According to the definition of Family members stipulated in the Immigration and Refugee Protection Act and for the clarity and purpose of completing this questionnaire, a family member is a person who is a son or daughter and parent, brother and/or sister, under the age of 18).
