

Lay Down

BIN HAULER

by **PRECISE**

Advantages

- The bin hauler lays down so the angle of impact that the box sees is very minimal.
- Ability to see over nested bins
- This bin hauler lays down within 3" of the ground for ease of emptying bags without climbing steps.
- Very versatile as it has infinite angles available for easy maneuverability.
- Over 3" of travel in chain tension assembly
- The combination of the two movements make the best of both worlds whether you pick on a pad or in the rows.
