

IRON ELK

“

Hi, I'm Ali Anderson and I can't wait to help you elevate your offerings. As an experienced change management consultant, I have helped companies of all sizes through some of their most disruptive organizational changes. Trained by the most competitive consultancies in the world, I bring elite industry experience without the elite costs. I'm not like any consultant you've worked with, I promise. You'll get upfront costs, capabilities, clear timelines, and 110% guarantee that I deliver according to my agreed upon deliverables.

Industries I've supported include: consumer goods, retail, automotive, manufacturing, pharmaceutical, healthcare, and food & beverage

Ali Anderson

Here's how I can help:

CHANGE MANAGEMENT

- ✓ Aligning leaders on desired future state of the business
- ✓ Facilitating meetings and advising on key action items
- ✓ Implementing culture change initiatives and conducting critical 1:1 meetings
- ✓ Creating & adapting new processes for improved efficiencies

COMMUNICATIONS

- ✓ Developing PowerPoint decks for company meetings
- ✓ Creating go-to-market sales material for external distribution
- ✓ Creating newsletters
- ✓ Developing informational FAQs
- ✓ Developing survey content and distribute plans
- ✓ Creating email campaigns

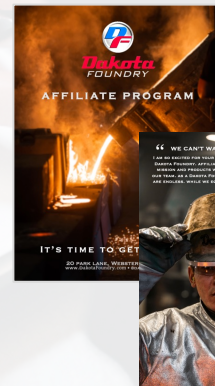

TRAINING

- ✓ Developing training plans for new processes or systems
- ✓ Developing training material including courses and job aids
- ✓ Implementing train-the-trainer processes for improved efficiency.

Team Training on Motivation

Here's what industry leaders have to say about working with Ali Anderson:

"...everything about Ali is like that. Attention to detail, always focused on the "client" or "customer", responsive, communicative and intelligent."
CEO, Media & Tech Company

"From the first time that I met Ali, I could tell that she was a go-getter and a true young professional. She is very ambitious and goal oriented. With no hesitation I would recommend Ali to any organization."
Product Manager, Amazon

"Ali is the epitome of excellence. She knows how to ask the right questions, analyze information, and set a vision for the future."
Manager, Salesforce
