

MISSION STATEMENT

SwedgeLock's purpose is to create quality custom aluminum fence and railing products with the highest standards of integrity and craftsmanship. SwedgeLock will use only the highest quality components in our system with an emphasis on the longevity and safety of the end product. Providing first class customer service is our motto, not our goal, striving to meet all of our customers needs.

Beautiful • Strong • Secure

SWEDGELOCK.com

LIMITED LIFETIME WARRANTY

SwedgeLock will repair or refinish any defect in manufacturer's finish, material or workmanship. This includes protection against peeling, chipping, corroding, cracking or blistering of the finish. This warranty is deemed invalid in the event of misuse, alteration, abuse, or acts of God. See warranty for specific details. Warranty is non-transferrable.
