RINGS

Decorative ring accents add timeless style and visual interest.

SCROLLS

Elegant scrollwork brings sophistication and classic craftsmanship.

KNUCKLES

Knuckle accents provide dimension and refined detail.

SPECIFICATION HIGHLIGHTS

ENGINEERED FOR STRENGTH.

BUILT TO LAST.

DESIGNED FOR BEAUTY.

Every SwedgeLock gate is crafted with precision and premium materials to deliver unmatched performance, security and curb appeal.

APPLICATIONS

- Residential, commercial and industrial use
- Driveways, entrances and perimeter security
- Pool, estate and privacy applications
- Freestanding or wall-mounted options

CONSTRUCTION

- Heavy-duty extruded aluminum framework
- Welded or mechanical connections for maximum strength
- Adjustable hinges and self-latching hardware

MATERIALS

- Extruded Aluminum 6063-T5/T52
- 2" x 2" (0.125") wall framing
- Louver infill panels for privacy and ventilation
- Fully recyclable and low maintenance

FINISH

- Durable powder coated finish
- Meets AAMA 2604 standards
- Superior resistance to UV, corrosion and harsh weather
- Standard and custom color options available

HARDWARE & FASTENERS

- Stainless steel / corrosion-resistant hardware
- Tamper-resistant fasteners available
- Heavy-duty drop rods and latches for secure closure

QUALITY STANDARDS

- AAMA Certified
- Engineered to meet ICC-ES AC273 building codes
- Designed for long-term performance in demanding environments

BUILT FOR BEAUTY. MADE TO ENDURE.

SwedgeLock ornamental gates combine timeless design with advanced engineering to elevate and protect every property.

POWDER COAT COLORS & FINISH OPTIONS

DURABLE FINISHES. CLEAN AESTHETICS.
BUILT FOR THE ELEMENTS.

FINISH PALETTE

Core powder coat colors shown for catalog reference.
Custom colors available by project request.

STANDARD COLORS + CUSTOM FINISHES

TEXTURED BLACK

Low-sheen texture with subtle depth.
Ideal for architectural and estate gate applications.

SMOOTH BLACK

Clean, modern gloss/satin black finish for bold contrast and a refined profile.

WHITE

Bright, clean finish for pool, residential, and traditional exterior applications.

ARCHITECTURAL BRONZE

Warm dark bronze tone for premium residential and commercial projects.

CUSTOM COLORS

Project-specific powder coat colors available through our paint department.

FINISH PERFORMANCE

Powder coat options are selected to balance appearance, durability, and project requirements.

1

PREP

Cleaned and prepared for a consistent coating surface.

2

COAT

Powder applied for an even, protective finish.

3

CURE

Heat-cured for adhesion and long-term performance.

4

INSPECT

Reviewed for coverage, color consistency, and finish quality.

COLOR NOTE

Printed colors may vary from actual powder coat finish.
Final color selection should be verified using physical samples or approved color chips.
