

Now Hiring: Apprentice AME-E

Location: Hangar A, 3822-21A St. Springbrook, AB
Apply in person or via email at admin@titanavionics.ca

Titan Avionics is a Transport Canada-approved maintenance organization based at Red Deer Regional Airport, specializing in installing, repairing, and inspecting avionics and electrical systems for both fixed-wing and rotary aircraft. Known for our precision, clear communication, and commitment to quality, we help keep pilots confident and aircraft mission-ready.

As we continue to grow, we're looking for an Apprentice AME-E to join our team in Springbrook, Alberta. If you're seeking a hands-on role in a collaborative environment where your skills are recognized and your growth is supported, we'd love to hear from you.

What You'll Do:

- Assist with the installation, maintenance, and troubleshooting of avionics systems
- Learn how to work with pitot-static, communication, navigation, autopilot, flight management, and electrical systems
- Support the team in completing system modifications based on approved documentation
- Help keep technical records up to date
- Maintain a clean, organized, and safe work environment
- Participate in Safety Management System (SMS) and Quality Assurance (QA) procedures
- Take part in team meetings, training, and development opportunities
- Bring a positive attitude and a willingness to learn every day

What You'll Bring

- Enrolled in (or graduated from) an accredited Avionics Technology program
- Interest in obtaining a Transport Canada AME-E License
- Basic understanding of avionics systems and tools
- Strong attention to detail and a willingness to ask questions
- Team player with a proactive, can-do attitude
- Valid driver's license
- Able to communicate clearly in spoken and written English
- Based in the Red Deer area or willing to relocate

What We Offer

- A close-knit and growing team where your voice matters
- Competitive wage (based on experience and certification level)
- Overtime pay
- Flexible, full-time schedule
- Health and dental benefits (after 3 months)
- Limited travel – occasional off-site work may be required

Relocating to Red Deer?

Red Deer is centrally located between Edmonton and Calgary, and only 2 hours away from the Rockies. With five smaller communities within a 30-minute drive, you can get rural vibes with a short commute – all while lowering your cost of living.

If you're passionate about aviation and want to work with a dedicated team, we invite you to apply today by emailing admin@titanavionics.ca.
